Subject: April 11 Hearing - Supportive testimony for HB 2019
Date: Thursday, April 11, 2019 4:23:36 PM

Dear Joint Committee on Student success,

As a former educator and a parent of a child in public education in Oregon, I have seen the need first hand. We must do better by our students and the teachers with whom we entrust them. Funds spent on education now will only save us money in the long run. This is an investment in the future of our state. Please elevate public education FOR ALL.

Sincerely,
Annie Marges
