Re: Support for HB 2325

Greetings Chair Riley and Members of the Committee,

I write in full support of House Bill 2325, which authorizes the Secretary of State to adopt rules relating to the way in which notice of business filings can be made, and reduces the business filing fee from \$275 to \$100 for certain documents filed on behalf of an Indian tribe or by an entity authorized to conduct business by an Indian tribe.

Updates like the one in this bill to allow notice to be sent by email, are small but important steps for our government to take to ensure businesses can operate smoothly and efficiently in their interactions with government. Furthermore, reducing the filing fee for documents filed by an Indian tribe or by an entity authorized to conduct business by an Indian tribe is reasonable and reflects the unique relationship our state has with the sovereign tribal entities in our State.

Thank you for your consideration, and I urge your support of this bill.

Warmly,

Representative Tawna Sanchez
North and Northeast Portland
