

This is a message for those of you in favor of this bill. House Bill 2015 isn't about driving rights, it's about you. It's about every Democratic politician sitting before me today. This is all about getting you RE-ELECTED. You POWER HUNGRY, ENTRENCHED politicians think you can do whatever you want, and this bill just makes your intentions obvious. Yet again you are disregarding the SAFETY OF OREGONIANS, simply to take more of OUR POWER away. This legislative attempt to create an artificial voting base for yourselves MAKES IT CLEAR you're NOT FIT to serve. You know Oregonians won't buy into the SOCIALIST GARBAGE LEGISLATION you're pushing, so in order to counteract the THOUSANDS of Oregonians who are fed up with your abuse of power, you are creating a whole new base of voters for yourselves.

Greek philosopher Plato once said, "Only those who DO NOT seek power are qualified to hold it" and those of you SUPPORTING THIS BILL are proving you ARE NOT qualified to handle the responsibility of representing Oregonians. The grassroots of Oregon are fed up and DONE being good losers. I know you're aware of this, which is exactly why you want to create TWO WHOLE

NEW VOTING BASES for yourselves: High school students and illegal immigrants.

Your attempt to STRIP POWER away from American citizens and give it away to illegal immigrants is a BLATANT ATTACK on the sovereignty of our elections. The Illegal Immigration Reform and Immigrant Responsibility Act of 1996 already prohibits illegal aliens from voting. Allowing illegal immigrants licenses attacks the integrity of our elections. You are changing the rules to benefit yourselves and to ENTRENCH YOURSELVES IN POWER and it's disgraceful.

Illegal immigrants will vote for you always, as you sign laws covering their healthcare costs and funding their abortions. As well as covering the costs of education, both K through 12 and college. You are incentivizing illegal immigrants to flee to Oregon for SANCTUARY STATUS, PUBLIC BENEFITS, and now the right to vote. This abuse of power will go down in history as nothing more than a ploy to further entrench yourselves in power. As an Oregonian, a Republican and most importantly as an AMERICAN, I feel you are simply displaying a REPULSIVE LUST FOR POWER and you should feel ASHAMED.
