Subject: NO on HB2015!
Date: Monday, April 15, 2019 5:08:09 PM

What is wrong with our Oregon Legislature trying to jam things down our throats? We still SAY NO! If your not a citizen you don't get our rights!

** As always if you know someone who is interested in buying, selling or investing in real estate please call me with their contact information and I will be happy to follow up with them!*

All my best,

Cathy
