I oppose HB 2015 as it will all ILLEGAL aliens to obtain drivers licenses. I do not oppose a LEGAL resident getting a license, but it is not right and not in the best interest of Oregon or the United States to grant driving privileges to someone here illegally. Further, this bill would automatically register illegal aliens to vote. Voting a right granted to the CITIZENS of this state and this country. I urge a NO vote on HB 2015.
