Subject: Fund Our Schools
Date: Wednesday, April 17, 2019 2:38:38 PM

I am a high school ESL teacher here to say: there is MORE need now for good, experienced teachers than ever before; MORE students coming into the state; MORE need for training in scaffolding and trauma-informed care; MORE requirements from the federal government to lead with excellence.

WHY would you give us FEWER resources to do our job?

Jani Stier
Beaverton High School
