

Please, I need to help. Somehow. My daughter and I are counting on this bill. We are in court right now for 50/50. You don't understand how important it is for me to help move this forward. I get my almost 2 year old daughter 5/14 overnights. I dropped her off yesterday at 10am and will not see or hear from her again until next Thursday. I've had to spend 14k to 5/14 overnights. I identify more as the mother in our relationship and being forced to separate from my daughter is absolutely destroying me. I cry pretty much every time I see another child or anytime I'm by myself. Please please please tell me how I can help or do something because my babygirl Scarlett needs me too. Please, I'm begging you to help me. What can I do to be heard of help?
