

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

I'm opposed to HB2932 and find it appalling that we have political leaders that find it ok to harbor illegal aliens. As far as I am concerned they are breaking the law by creating laws that prohibit our court systems in find out if someone is here illegally. Creating House Bills to give illegals special treatment is beyond belief. Sanctuary state is beyond belief. Giving drivers licenses to illegal aliens is beyond belief. I'm tired of our leadership that helps harbor illegal aliens and believe anyone who does so is breaking the law and should be punished. Case closed. Signed Disgusted with our leadership Sent from my iPhone
