

JACKIE WINTERS
STATE SENATOR
DISTRICT 10

OREGON STATE SENATE

Dear Colleagues,

I am reaching out to you to today with this letter to address Senate Bill 1008. This bill, in its current form, is a priority bill for me this session and a true testament to the work within the realm of justice reform. This bill comes from years of hard work and commitment to helping our communities and youth.

Please see the attached letter of support signed by retired Oregon Circuit Court and Appellate Judges regarding Senate Bill 1008.

Again, I fully support the original version of Senate Bill 1008.

I am truly humbled to be apart of this bill and encourage your support.

Sincerely,

A handwritten signature in blue ink that reads "Jackie Winters".
