

To: Oregon House of Representatives

I am writing to ask for your support for the National Popular Vote. The time should be over for manipulation of votes not only by propaganda and gerrymandering, but also by only running in states with large Electoral votes. Please save us from war mongers like George W. Bush and Donald Trump. We do not need such lies and gamesmanship at the top of our country. We need leaders who respect the people as a whole and our hard-earned treasury.
