

Dear Senate Committee on Rules,

Our Liberty is at stake once again. Bill SB 761 would ban online petition efforts until year 2023. Its clear that our Governor Kate Brown and a majority of our Oregon Legislators will not honor their **Oath of Office** which is to protect our Rights, and in fact are attempting to make it difficult for all of us to participate in our Democratic process.

This is a pure violation of the constitution!

In the United States the right to petition is guaranteed by the First Amendment to the United States Constitution, which specifically prohibits Congress from abridging "the right of the people...to petition the Government for a redress of grievances".

This is NOT for the people, please do not limit our voices. Vote no on SB 761

Respectfully,

Penny Steenslid
