Measure Description:

Creates urban flood safety and water quality district in portion of Multnomah County within urban growth boundary adopted by Metro, for purposes of managing and improving levee system, drainage and natural areas to provide for flood safety and contribute to water quality, habitat and landscape resiliency.

Government Unit(s) Affected:

Metro, Cities, Counties, Office of the Governor, Oregon Judicial Department (OJD), Water Resources Department (WRD), Department of Revenue (DOR)

Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the Senate Committee on Environment and Natural Resources to the Senate Committee on Finance and Revenue.

The legislation establishes the creation of an urban flood safety and water quality district within the urban growth boundary of Multnomah County for the purpose of acquiring, purchasing, constructing, improving, operating, and maintaining works that are specified by the legislation.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Senate Committee on Finance and Revenue.
