Hello! My name is James Tyree the second and I am in the Oregonian and I'm calling on all public officials in the state of Oregon and all cities to adopt public banks for every city so that the criminal corporation known as Wells Fargo and other big banks and for-profit Enterprises cannot profit off of the backs of taxpayers at our expense. We should have Public tax dollars going into a public bank run for the benefit of the public and the public dollars need to be kept in the community. Thank you for your consideration!

Sincerely,
Mr. James Lewis Tyree II
