To: Natural Resources Subcommittee

From: Krista Dauenhauer, Legislative Fiscal Office

Date: June 11, 2019

Subject: SB 885 – Relating to limits on Willamette Valley canola production
Work Session Recommendations

The legislation defines the Willamette Valley Protected District for the purpose of licensing, by the Department of Agriculture (ODA), up to 500 acres of canola production. ODA is authorized to assess civil penalties, not to exceed \$25,000 each, for a violation of canola production without a license.

Recommended Changes

LFO recommends adoption of the -1 amendment which removes the requirement that the ODA develop recommendations regarding means for ensuring the coexistence of canola production and other crops; and repeals the legislation on June 30, 2023.

MOTION: I move adoption of the -1 amendment to SB 885. (VOTE)

Final Subcommittee Action

LFO recommends that SB 885, as amended by the -1 amendment, to be moved to the Ways and Means Full Committee.

MOTION: I move SB 885, as amended, to the Full Committee with a do pass recommendation. (VOTE)
