Subject: I oppose HB2001
Date: Monday, June 10, 2019 1:02:14 PM

I oppose HB2001 for the following reasons:

- it will destroy existing neighborhoods,
- encourage tear-downs of existing housing which is the most sustainable for families,
- will make it harder for average families to own a home,
- will not increase affordability
- will increase traffic, etc. without paying for additional infrastructure,
- will change the very cities that Oregon is proud of and has used as its brand.

I urge you to vote no.
