**To:** Capital Construction Subcommittee  
**From:** Julie Neburka, Legislative Fiscal Office  
**Date:** June 17, 2019  
**Subject:** SB 1005 - Relating to public safety

SB 1005A establishes regulations for kratom products. It directs the Department of Agriculture to promulgate rules about testing, labeling, and regulation of kratom; sets the age limit for purchase of kratom products at 21; creates civil and criminal penalties for certain violations; and provides definitions. The bill also adds two members to the Task Force on School Safety, directs the task force to submit a report to the legislature, and extends the sunset of the Task Force to December 31st, 2021. The bill's emergency clause causes the bill to take effect on July 1, 2019.

The -A9 amendment removes all references to kratom (Sections 1-6 of the A-engrossed bill), leaving just the changes to the Task Force on School Safety and the emergency clause. This change is estimated to have a minimal fiscal impact.

The -A10 amendment explicitly states that the provisions of SB 1008 that apply after January 1, 2020 do not apply to people who were sentenced prior to that date but then subsequently re-sentenced; and resolves conflicts between SB 1008 and SB 1013 in the event that SB 1013 becomes law. This change is estimated to have no expenditure impact.
