Respectfully, I am letting you know I am TOTALLY OPPOSED to HB 2001A. This is not fair to Oregonians. PLEASE DO NOT LET THIS PASS. As a homeowner in Klamath Falls and Portland, I can't express enough how awful this bill is since it takes a one-size-fits-all approach to a state that really needs a lot more from its elected leaders than this singularly destructive approach to housing. These decisions need to be in the hands of local government, not State government.

Do not consider this to be in the best interest of all Oregonians! IT IS NOT!
