SUMMARY

Abolishes Oregon Board of Naturopathic Medicine peer review committee.

OPEN GOVERNMENT IMPACT

Legislative Counsel has not adopted standards for drafting measures that establish exemptions from disclosure of public records.

This measure abolishes the peer review committee of the Oregon Board of Naturopathic Medicine and eliminates the exemption from public disclosure for information provided to the committee in the performance of its duties.

This measure would make those public records that could be subject to public disclosure subject to mandatory disclosure under public records law.
