Prepared by: Cameron D. Miles
Date: 1/14/2019

SUMMARY

Directs Department of Education to prepare and make available statement that discloses potential health risks of wireless network technology and requires public and private schools to distribute statement to employees, students and parents or guardians of students. Requires department to adopt by rule guidelines for including in school curricula, assemblies, open houses, meetings between parents and teachers and related settings information concerning hazards of exposure to microwave radiation and how to use wireless devices more safely to reduce risk.

Requires department and Oregon Health Authority to conduct review of peer-reviewed, independently funded studies of effects of exposure to microwave radiation in schools and similar environments, particularly exposure that results from use of wireless network technologies, to develop recommendations to schools in this state for practices and alternative technologies that would eliminate students' exposure to harmful microwave radiation and report results of review and recommendations to interim committee of Legislative Assembly related to education not later than September 15, 2020.

Declares emergency, effective on passage.
