**Analysis:**

This fiscal impact statement is for the purpose of transmitting the measure from the Joint Committee on Ways and Means to the President’s Desk.

The measure appropriates funds to the Employment Department for purposes of paying benefits and costs necessary to administer a benefit program that provides state-funded unemployment benefits to certain individuals, including individuals on active duty in U.S. Coast Guard and stationed in Oregon who are legally compelled to provide regular service in U.S. Coast Guard without receiving compensation due to lapse of federal appropriations and who would otherwise be eligible for unemployment compensation for ex-service members under federal law.

The measure is anticipated to have an impact on the Employment Department

A more complete fiscal analysis on the measure will be prepared as the measure is considered in its subsequently assigned committee.
