

**A-Engrossed**  
**House Bill 2074**

Ordered by the House April 17  
Including House Amendments dated April 17

Sponsored by Representative SOLLMAN; Representative NERON (Pre-session filed.)

**SUMMARY**

The following summary is not prepared by the sponsors of the measure and is not a part of the body thereof subject to consideration by the Legislative Assembly. It is an editor's brief statement of the essential features of the measure.

Directs Oregon Department of Administrative Services to prepare tentative budget for funding of State School Fund. Requires department to form committee for purpose of preparing tentative budget. Prescribes factors to be considered by committee.

**A BILL FOR AN ACT**

1  
2 Relating to the method for funding public education.

3       Whereas funding for kindergarten through grade 12 public education now comprises nearly half  
4 of the state's General Fund budget; and

5       Whereas the primary source of funding for kindergarten through grade 12 public education  
6 comes from appropriations made by the Legislative Assembly from the General Fund to the State  
7 School Fund; and

8       Whereas the Legislative Assembly must develop biennial state budgets based on available re-  
9 sources; and

10       Whereas the state budgeting process depends on an accurate analysis of current resources and  
11 uncontrollable cost drivers; and

12       Whereas the public relies on fiscal analyses to describe public education fiscal facts with the  
13 greatest accuracy possible; and

14       Whereas the calculation process for determining the current service level for public education  
15 that is prescribed by the Governor's Executive Order 14-14 has introduced instability to public ed-  
16 ucation funding and relies, in part, on policies and organizational entities that are no longer in force  
17 or no longer exist; and

18       Whereas confusion about the meaning of the current service level and confusion about the level  
19 itself have impacted the stability of school budgets; and

20       Whereas the state's calculation of a budget for kindergarten through grade 12 public education  
21 based on current service levels has not and cannot be developed at the level of detail as for other  
22 state programs; and

23       Whereas the Quality Education Commission calculates the gap between baseline funding for  
24 public education and its recommended full-funding level for public education based on the current  
25 service level calculation; and

26       Whereas policymakers rely on the accuracy of the current service level calculation to gauge  
27 whether proposed appropriation levels will result in stable school budgets; and

28       Whereas the State of Oregon has an interest in directing the process for determining the current
