6 disposition of cases resulting from any adverse action taken against that licensee.

7 F. Joint Investigations

- 18 and reasonable opportunity to comment orally or in writing.
- 19 3. All hearings will be recorded. A copy of the recording will be made available on request.
- 20 4. Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules
- 21 may be grouped for the convenience of the Commission at hearings required by this section.
- 22 I. Following the scheduled hearing date, or by the close of business on the scheduled hearing
- 23 date if the hearing was not held, the Commission shall consider all written and oral comments re-
- 24 ceived.
- 25 J. If no written notice of intent to attend the public hearing by interested parties is received,
- 26 the Commission may proceed with promulgation of the proposed rule without a public hearing.
- 27 K. The Commission shall, by majority vote of all members, take final action on the proposed rule
- 28 and shall determine the effective date of the rule, if any, based on the rulemaking record and the
- 29 full text of the rule.
- 30 L. Upon determination that an emergency exists, the Commission may consider and adopt an
- 31 emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual
- 32 rulemaking procedures provided in the Compact and in this section shall be retroactively applied to
- 33 the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective
- 34 date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted
- 35 immediately in order to:
- 36 1. Meet an imminent threat to public health, safety, or welfare;
- 37 2. Prevent a loss of Commission or member state funds;
- 38 3. Meet a deadline for the promulgation of an administrative rule that is established by federal
- 39 law or rule; or
- 40 4. Protect public health and safety.
- 41 M. The Commission or an authorized committee of the Commission may direct revisions to a
- 42 previously adopted rule or amendment for purposes of correcting typographical errors, errors in
- 43 format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted
- 44 on the website of the Commission. The revision shall be subject to challenge by any person for a
- 45 period of thirty (30) days after posting. The revision may be challenged only on grounds that the

1 revision results in a material change to a rule. A challenge shall be made in writing, and delivered
 2 to the chair of the Commission prior to the end of the notice period. If no challenge is made, the
 3 revision will take effect without further action. If the revision is challenged, the revision may not
 4 take effect without the approval of the Commission.

5 SECTION 10. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

6 A. Oversight

7 1. The executive, legislative, and judicial branches of state government in each member state
 8 shall enforce this Compact and take all actions necessary and appropriate to effectuate the
 9 Compact's purposes and intent. The provisions of this Compact and the rules promulgated hereunder
 10 and adopted by the [*Physical Therapist Licensing Board*] **Oregon Board of Physical Therapy** shall
 11 have standing as statutory law.

12 2. All courts shall take judicial notice of the Compact and the rules in any judicial or adminis-
 13 trative proceeding in a member state pertaining to the subject matter of this Compact which may
 14 affect the powers, responsibilities or actions of the Commission.

15 3. The Commission shall be entitled to receive service of process in any such proceeding, and
 16 shall have standing to intervene in such a proceeding for all purposes. Failure to provide service
 17 of process to the Commission shall render a judgment or order void as to the Commission, this
 18 Compact, or promulgated rules.

19 B. Default, Technical Assistance, and Termination

20 1. If the Commission determines that a member state has defaulted in the performance of its
 21 obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

22 a. Provide written notice to the defaulting state and other member states of the nature of the
 23 default, the proposed means of curing the default and/or any other action to be taken by the Com-
 24 mission; and

25 b. Provide remedial training and specific technical assistance regarding the default.

26 2. If a state in default fails to cure the default, the defaulting state may be terminated from the
 27 Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and
 28 benefits conferred by this Compact may be terminated on the effective date of termination. A cure
 29 of the default does not relieve the offending state of obligations or liabilities incurred during the
 30 period of default.

31 3. Termination of membership in the Compact shall be imposed only after all other means of
 32 securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given
 33 by the Commission to the governor, the majority and minority leaders of the defaulting state's leg-
 34 islature, and each of the member states.

35 4. A state that has been terminated is responsible for all assessments, obligations, and liabilities
 36 incurred through the effective date of termination, including obligations that extend beyond the ef-
 37 fective date of termination.

38 5. The Commission shall not bear any costs related to a state that is found to be in default or
 39 that has been terminated from the Compact, unless agreed upon in writing between the Commission
 40 and the defaulting state.

41 6. The defaulting state may appeal the action of the Commission by petitioning the U.S. District
 42 Court for the District of Columbia or the federal district where the Commission has its principal
 43 offices. The prevailing member shall be awarded all costs of such litigation, including reasonable
 44 attorney's fees.

45 C. Dispute Resolution

1 1. Upon request by a member state, the Commission shall attempt to resolve disputes related to
2 the Compact that arise among member states and between member and non-member states.

3 2. The Commission shall promulgate a rule providing for both mediation and binding dispute
4 resolution for disputes as appropriate.

5 D. Enforcement

6 1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and
7 rules of this Compact.

8 2. By majority vote, the Commission may initiate legal action in the United States District Court
9 for the District of Columbia or the federal district where the Commission has its principal offices
10 against a member state in default to enforce compliance with the provisions of the Compact and its
11 promulgated rules and bylaws. The relief sought may include injunctive relief. In the event judicial
12 enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, in-
13 cluding reasonable attorney's fees.

14 3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission
15 may pursue any other remedies available under federal or state law.

16 SECTION 11. DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR
17 PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMEND-
18 MENT

19 A. The Compact shall come into effect on the date on which the Compact statute is enacted into
20 law in the tenth member state. The provisions, which become effective at that time, shall be limited
21 to the powers granted to the Commission relating to assembly and the promulgation of rules.
22 Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implemen-
23 tation and administration of the Compact.

24 B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules
25 shall be subject to the rules as they exist on the date on which the Compact becomes law in that
26 state. Any rule that has been previously adopted by the Commission shall have the full force and
27 effect of law on the day the Compact becomes law in that state.

28 C. Any member state may withdraw from this Compact by enacting a statute repealing the same.

29 1. A member state's withdrawal shall not take effect until six (6) months after enactment of the
30 repealing statute.

31 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's physical
32 therapy licensing board to comply with the investigative and adverse action reporting requirements
33 of this act prior to the effective date of withdrawal.

34 D. Nothing contained in this Compact shall be construed to invalidate or prevent any physical
35 therapy licensure agreement or other cooperative arrangement between a member state and a non-
36 member state that does not conflict with the provisions of this Compact.

37 E. This Compact may be amended by the member states. No amendment to this Compact shall
38 become effective and binding upon any member state until it is enacted into the laws of all member
39 states.

40 SECTION 12. CONSTRUCTION AND SEVERABILITY

41 This Compact shall be liberally construed so as to effectuate the purposes thereof. The pro-
42 visions of this Compact shall be severable and if any phrase, clause, sentence or provision of this
43 Compact is declared to be contrary to the constitution of any party state or of the United States
44 or the applicability thereof to any government, agency, person or circumstance is held invalid, the
45 validity of the remainder of this Compact and the applicability thereof to any government, agency,

1 person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the
2 constitution of any party state, the Compact shall remain in full force and effect as to the remaining
3 party states and in full force and effect as to the party state affected as to all severable matters.
