

SENATE AMENDMENTS TO SENATE BILL 134

By COMMITTEE ON HEALTH CARE

April 9

1 On page 1 of the printed bill, line 2, after “care;” delete the rest of the line and insert “creating
2 new provisions; amending ORS 414.625 and 414.635; and prescribing an effective date.”.

3 Delete lines 4 through 29 and delete page 2 and insert:

4 “**SECTION 1.** ORS 414.625, as amended by section 3, chapter 49, Oregon Laws 2018, is amended
5 to read:

6 “414.625. (1) The Oregon Health Authority shall adopt by rule the qualification criteria and re-
7 quirements for a coordinated care organization and shall integrate the criteria and requirements
8 into each contract with a coordinated care organization. Coordinated care organizations may be
9 local, community-based organizations or statewide organizations with community-based participation
10 in governance or any combination of the two. Coordinated care organizations may contract with
11 counties or with other public or private entities to provide services to members. The authority may
12 not contract with only one statewide organization. A coordinated care organization may be a single
13 corporate structure or a network of providers organized through contractual relationships. The cri-
14 teria and requirements adopted by the authority under this section must include, but are not limited
15 to, a requirement that the coordinated care organization:

16 “(a) Have demonstrated experience and a capacity for managing financial risk and establishing
17 financial reserves.

18 “(b) Meet the following minimum financial requirements:

19 “(A) Maintain restricted reserves of \$250,000 plus an amount equal to 50 percent of the coordi-
20 nated care organization’s total actual or projected liabilities above \$250,000.

21 “(B) Maintain a net worth in an amount equal to at least five percent of the average combined
22 revenue in the prior two quarters of the participating health care entities.

23 “(C) Expend a portion of the annual net income or reserves of the coordinated care organization
24 that exceed the financial requirements specified in this paragraph on services designed to address
25 health disparities and the social determinants of health consistent with the coordinated care
26 organization’s community health improvement plan and transformation plan and the terms and con-
27 ditions of the Medicaid demonstration project under section 1115 of the Social Security Act (42
28 U.S.C. 1315).

29 “(c) Operate within a fixed global budget and, by January 1, 2023, spend on primary care, as
30 defined in section 2, chapter 575, Oregon Laws 2015, at least 12 percent of the coordinated care
31 organization’s total expenditures for physical and mental health care provided to members, except
32 for expenditures on prescription drugs, vision care and dental care.

33 “(d) Develop and implement alternative payment methodologies that are based on health care
34 quality and improved health outcomes.

35 “(e) Coordinate the delivery of physical health care, mental health and chemical dependency

1 services, oral health care and covered long-term care services.

2 “(f) Engage community members and health care providers in improving the health of the com-
3 munity and addressing regional, cultural, socioeconomic and racial disparities in health care that
4 exist among the coordinated care organization’s members and in the coordinated care organization’s
5 community.

6 “(2) In addition to the criteria and requirements specified in subsection (1) of this section, the
7 authority must adopt by rule requirements for coordinated care organizations contracting with the
8 authority so that:

9 “(a) Each member of the coordinated care organization receives integrated person centered care
10 and services designed to provide choice, independence and dignity.

11 “(b) Each member has a consistent and stable relationship with a care team that is responsible
12 for comprehensive care management and service delivery.

13 “(c) The supportive and therapeutic needs of each member are addressed in a holistic fashion,
14 using patient centered primary care homes, behavioral health homes or other models that support
15 patient centered primary care and behavioral health care and individualized care plans to the extent
16 feasible.

17 “(d) Members receive comprehensive transitional care, including appropriate follow-up, when
18 entering and leaving an acute care facility or a long term care setting.

19 “(e) Members receive assistance in navigating the health care delivery system and in accessing
20 community and social support services and statewide resources, including through the use of certi-
21 fied health care interpreters and qualified health care interpreters, as those terms are defined in
22 ORS 413.550.

23 “(f) Services and supports are geographically located as close to where members reside as pos-
24 sible and are, if available, offered in nontraditional settings that are accessible to families, diverse
25 communities and underserved populations.

26 “(g) Each coordinated care organization uses health information technology to link services and
27 care providers across the continuum of care to the greatest extent practicable and if financially vi-
28 able.

29 “(h) Each coordinated care organization complies with the safeguards for members described in
30 ORS 414.635.

31 “(i) Each coordinated care organization convenes a community advisory council that meets the
32 criteria specified in ORS 414.627.

33 “(j) Each coordinated care organization prioritizes working with members who have high health
34 care needs, multiple chronic conditions, mental illness or chemical dependency and involves those
35 members in accessing and managing appropriate preventive, health, remedial and supportive care
36 and services, including the services described in ORS 414.766, to reduce the use of avoidable emer-
37 gency room visits and hospital admissions.

38 “(k) Members have a choice of providers within the coordinated care organization’s network and
39 that providers participating in a coordinated care organization:

40 “(A) Work together to develop best practices for care and service delivery to reduce waste and
41 improve the health and well-being of members.

42 “(B) Are educated about the integrated approach and how to access and communicate within the
43 integrated system about a patient’s treatment plan and health history.

44 “(C) Emphasize prevention, healthy lifestyle choices, evidence-based practices, shared decision-
45 making and communication.

1 “(D) Are permitted to participate in the networks of multiple coordinated care organizations.

2 “(E) Include providers of specialty care.

3 “(F) Are selected by coordinated care organizations using universal application and credential-
4 ing procedures and objective quality information and are removed if the providers fail to meet ob-
5 jective quality standards.

6 “(G) Work together to develop best practices for culturally appropriate care and service delivery
7 to reduce waste, reduce health disparities and improve the health and well-being of members.

8 “(L) Each coordinated care organization reports on outcome and quality measures adopted under
9 ORS 414.638 and participates in the health care data reporting system established in ORS 442.464
10 and 442.466.

11 “(m) Each coordinated care organization uses best practices in the management of finances,
12 contracts, claims processing, payment functions and provider networks.

13 “(n) Each coordinated care organization participates in the learning collaborative described in
14 ORS 413.259 (3).

15 “(o) Each coordinated care organization has a governing body that complies with section 2,
16 chapter 49, Oregon Laws 2018, and that includes:

17 “(A) At least one member representing persons that share in the financial risk of the organiza-
18 tion;

19 “(B) A representative of a dental care organization selected by the coordinated care organiza-
20 tion;

21 “(C) The major components of the health care delivery system;

22 “(D) At least two health care providers in active practice, including:

23 “(i) A physician licensed under ORS chapter 677 or a nurse practitioner certified under ORS
24 678.375, whose area of practice is primary care; and

25 “(ii) A mental health or chemical dependency treatment provider;

26 “(E) At least two members from the community at large, to ensure that the organization’s
27 decision-making is consistent with the values of the members and the community; and

28 “(F) At least one member of the community advisory council.

29 “(p) Each coordinated care organization’s governing body establishes standards for publicizing
30 the activities of the coordinated care organization and the organization’s community advisory
31 councils, as necessary, to keep the community informed.

32 “(q) **Each coordinated care organization publishes on a website maintained by or on be-
33 half of the coordinated care organization, in a manner determined by the authority, a docu-
34 ment designed to educate members about best practices, care quality expectations, screening
35 practices, treatment options and other support resources available for members who have
36 mental illnesses or substance use disorders.**

37 “(3) The authority shall consider the participation of area agencies and other nonprofit agencies
38 in the configuration of coordinated care organizations.

39 “(4) In selecting one or more coordinated care organizations to serve a geographic area, the
40 authority shall:

41 “(a) For members and potential members, optimize access to care and choice of providers;

42 “(b) For providers, optimize choice in contracting with coordinated care organizations; and

43 “(c) Allow more than one coordinated care organization to serve the geographic area if neces-
44 sary to optimize access and choice under this subsection.

45 “(5) On or before July 1, 2014, each coordinated care organization must have a formal contrac-

1 tual relationship with any dental care organization that serves members of the coordinated care
2 organization in the area where they reside.

3 “**SECTION 2.** ORS 414.625, as amended by section 14, chapter 489, Oregon Laws 2017, and
4 section 4, chapter 49, Oregon Laws 2018, is amended to read:

5 “414.625. (1) The Oregon Health Authority shall adopt by rule the qualification criteria and re-
6 quirements for a coordinated care organization and shall integrate the criteria and requirements
7 into each contract with a coordinated care organization. Coordinated care organizations may be
8 local, community-based organizations or statewide organizations with community-based participation
9 in governance or any combination of the two. Coordinated care organizations may contract with
10 counties or with other public or private entities to provide services to members. The authority may
11 not contract with only one statewide organization. A coordinated care organization may be a single
12 corporate structure or a network of providers organized through contractual relationships. The cri-
13 teria and requirements adopted by the authority under this section must include, but are not limited
14 to, a requirement that the coordinated care organization:

15 “(a) Have demonstrated experience and a capacity for managing financial risk and establishing
16 financial reserves.

17 “(b) Meet the following minimum financial requirements:

18 “(A) Maintain restricted reserves of \$250,000 plus an amount equal to 50 percent of the coordi-
19 nated care organization’s total actual or projected liabilities above \$250,000.

20 “(B) Maintain a net worth in an amount equal to at least five percent of the average combined
21 revenue in the prior two quarters of the participating health care entities.

22 “(C) Expend a portion of the annual net income or reserves of the coordinated care organization
23 that exceed the financial requirements specified in this paragraph on services designed to address
24 health disparities and the social determinants of health consistent with the coordinated care
25 organization’s community health improvement plan and transformation plan and the terms and con-
26 ditions of the Medicaid demonstration project under section 1115 of the Social Security Act (42
27 U.S.C. 1315).

28 “(c) Operate within a fixed global budget and spend on primary care, as defined by the authority
29 by rule, at least 12 percent of the coordinated care organization’s total expenditures for physical
30 and mental health care provided to members, except for expenditures on prescription drugs, vision
31 care and dental care.

32 “(d) Develop and implement alternative payment methodologies that are based on health care
33 quality and improved health outcomes.

34 “(e) Coordinate the delivery of physical health care, mental health and chemical dependency
35 services, oral health care and covered long-term care services.

36 “(f) Engage community members and health care providers in improving the health of the com-
37 munity and addressing regional, cultural, socioeconomic and racial disparities in health care that
38 exist among the coordinated care organization’s members and in the coordinated care organization’s
39 community.

40 “(2) In addition to the criteria and requirements specified in subsection (1) of this section, the
41 authority must adopt by rule requirements for coordinated care organizations contracting with the
42 authority so that:

43 “(a) Each member of the coordinated care organization receives integrated person centered care
44 and services designed to provide choice, independence and dignity.

45 “(b) Each member has a consistent and stable relationship with a care team that is responsible

1 for comprehensive care management and service delivery.

2 “(c) The supportive and therapeutic needs of each member are addressed in a holistic fashion,
3 using patient centered primary care homes, behavioral health homes or other models that support
4 patient centered primary care and behavioral health care and individualized care plans to the extent
5 feasible.

6 “(d) Members receive comprehensive transitional care, including appropriate follow-up, when
7 entering and leaving an acute care facility or a long term care setting.

8 “(e) Members receive assistance in navigating the health care delivery system and in accessing
9 community and social support services and statewide resources, including through the use of certi-
10 fied health care interpreters and qualified health care interpreters, as those terms are defined in
11 ORS 413.550.

12 “(f) Services and supports are geographically located as close to where members reside as pos-
13 sible and are, if available, offered in nontraditional settings that are accessible to families, diverse
14 communities and underserved populations.

15 “(g) Each coordinated care organization uses health information technology to link services and
16 care providers across the continuum of care to the greatest extent practicable and if financially vi-
17 able.

18 “(h) Each coordinated care organization complies with the safeguards for members described in
19 ORS 414.635.

20 “(i) Each coordinated care organization convenes a community advisory council that meets the
21 criteria specified in ORS 414.627.

22 “(j) Each coordinated care organization prioritizes working with members who have high health
23 care needs, multiple chronic conditions, mental illness or chemical dependency and involves those
24 members in accessing and managing appropriate preventive, health, remedial and supportive care
25 and services, including the services described in ORS 414.766, to reduce the use of avoidable emer-
26 gency room visits and hospital admissions.

27 “(k) Members have a choice of providers within the coordinated care organization’s network and
28 that providers participating in a coordinated care organization:

29 “(A) Work together to develop best practices for care and service delivery to reduce waste and
30 improve the health and well-being of members.

31 “(B) Are educated about the integrated approach and how to access and communicate within the
32 integrated system about a patient’s treatment plan and health history.

33 “(C) Emphasize prevention, healthy lifestyle choices, evidence-based practices, shared decision-
34 making and communication.

35 “(D) Are permitted to participate in the networks of multiple coordinated care organizations.

36 “(E) Include providers of specialty care.

37 “(F) Are selected by coordinated care organizations using universal application and credential-
38 ing procedures and objective quality information and are removed if the providers fail to meet ob-
39 jective quality standards.

40 “(G) Work together to develop best practices for culturally appropriate care and service delivery
41 to reduce waste, reduce health disparities and improve the health and well-being of members.

42 “(L) Each coordinated care organization reports on outcome and quality measures adopted under
43 ORS 414.638 and participates in the health care data reporting system established in ORS 442.464
44 and 442.466.

45 “(m) Each coordinated care organization uses best practices in the management of finances,

1 contracts, claims processing, payment functions and provider networks.

2 “(n) Each coordinated care organization participates in the learning collaborative described in
3 ORS 413.259 (3).

4 “(o) Each coordinated care organization has a governing body that complies with section 2,
5 chapter 49, Oregon Laws 2018, and that includes:

6 “(A) At least one member representing persons that share in the financial risk of the organiza-
7 tion;

8 “(B) A representative of a dental care organization selected by the coordinated care organiza-
9 tion;

10 “(C) The major components of the health care delivery system;

11 “(D) At least two health care providers in active practice, including:

12 “(i) A physician licensed under ORS chapter 677 or a nurse practitioner certified under ORS
13 678.375, whose area of practice is primary care; and

14 “(ii) A mental health or chemical dependency treatment provider;

15 “(E) At least two members from the community at large, to ensure that the organization’s
16 decision-making is consistent with the values of the members and the community; and

17 “(F) At least one member of the community advisory council.

18 “(p) Each coordinated care organization’s governing body establishes standards for publicizing
19 the activities of the coordinated care organization and the organization’s community advisory
20 councils, as necessary, to keep the community informed.

21 “(q) **Each coordinated care organization publishes on a website maintained by or on be-
22 half of the coordinated care organization, in a manner determined by the authority, a docu-
23 ment designed to educate members about best practices, care quality expectations, screening
24 practices, treatment options and other support resources available for members who have
25 mental illnesses or substance use disorders.**

26 “(3) The authority shall consider the participation of area agencies and other nonprofit agencies
27 in the configuration of coordinated care organizations.

28 “(4) In selecting one or more coordinated care organizations to serve a geographic area, the
29 authority shall:

30 “(a) For members and potential members, optimize access to care and choice of providers;

31 “(b) For providers, optimize choice in contracting with coordinated care organizations; and

32 “(c) Allow more than one coordinated care organization to serve the geographic area if neces-
33 sary to optimize access and choice under this subsection.

34 “(5) On or before July 1, 2014, each coordinated care organization must have a formal contrac-
35 tual relationship with any dental care organization that serves members of the coordinated care
36 organization in the area where they reside.

37 “**SECTION 3.** ORS 414.635 is amended to read:

38 “414.635. (1) The Oregon Health Authority shall adopt by rule safeguards for members enrolled
39 in coordinated care organizations that protect against underutilization of services and inappropriate
40 denials of services. In addition to any other consumer rights and responsibilities established by law,
41 each member:

42 “(a) Must be encouraged to be an active partner in directing the member’s health care and
43 services and not a passive recipient of care.

44 “(b) Must be educated about the coordinated care approach being used in the community, **in-
45 cluding the approach to addressing behavioral health care, and provided with any assistance**

1 **needed regarding** how to navigate the coordinated health care system.

2 “(c) Must have access to advocates, including qualified peer wellness specialists, peer support
3 specialists, personal health navigators, and qualified community health workers who are part of the
4 member’s care team to provide assistance that is culturally and linguistically appropriate to the
5 member’s need to access appropriate services and participate in processes affecting the member’s
6 care and services.

7 “(d) Shall be encouraged within all aspects of the integrated and coordinated health care deliv-
8 ery system to use wellness and prevention resources and to make healthy lifestyle choices.

9 “(e) Shall be encouraged to work with the member’s care team, including providers and com-
10 munity resources appropriate to the member’s needs as a whole person.

11 “(2) The authority shall establish and maintain an enrollment process for individuals who are
12 dually eligible for Medicare and Medicaid that promotes continuity of care and that allows the
13 member to disenroll from a coordinated care organization that fails to promptly provide adequate
14 services and:

15 “(a) To enroll in another coordinated care organization of the member’s choice; or

16 “(b) If another organization is not available, to receive Medicare-covered services on a fee-for-
17 service basis.

18 “(3) Members and their providers and coordinated care organizations have the right to appeal
19 decisions about care and services through the authority in an expedited manner and in accordance
20 with the contested case procedures in ORS chapter 183.

21 “(4) A health care entity may not unreasonably refuse to contract with an organization seeking
22 to form a coordinated care organization if the participation of the entity is necessary for the or-
23 ganization to qualify as a coordinated care organization.

24 “(5) A health care entity may refuse to contract with a coordinated care organization if the
25 reimbursement established for a service provided by the entity under the contract is below the
26 reasonable cost to the entity for providing the service.

27 “(6) A health care entity that unreasonably refuses to contract with a coordinated care organ-
28 ization may not receive fee-for-service reimbursement from the authority for services that are
29 available through a coordinated care organization either directly or by contract.

30 “(7)(a) The authority shall adopt by rule a process for resolving disputes involving:

31 “(A) A health care entity’s refusal to contract with a coordinated care organization under sub-
32 sections (4) and (5) of this section.

33 “(B) The termination, extension or renewal of a health care entity’s contract with a coordinated
34 care organization.

35 “(b) The processes adopted under this subsection must include the use of an independent third
36 party arbitrator.

37 “(8) A coordinated care organization may not unreasonably refuse to contract with a licensed
38 health care provider.

39 “(9) The authority shall:

40 “(a) Monitor and enforce consumer rights and protections within the Oregon Integrated and
41 Coordinated Health Care Delivery System and ensure a consistent response to complaints of vio-
42 lations of consumer rights or protections.

43 “(b) Monitor and report on the statewide health care expenditures and recommend actions ap-
44 propriate and necessary to contain the growth in health care costs incurred by all sectors of the
45 system.

1 “SECTION 4. (1) The amendments to ORS 414.625 and 414.635 by sections 1 to 3 of this
2 2019 Act become operative on January 1, 2020.

3 “(2) The Oregon Health Authority may take any action before the operative date specified
4 in subsection (1) of this section that is necessary to enable the authority to exercise, on and
5 after the operative date specified in subsection (1) of this section, all of the duties, functions
6 and powers conferred on the authority by the amendments to ORS 414.625 and 414.635 by
7 sections 1 to 3 of this 2019 Act.

8 “SECTION 5. This 2019 Act takes effect on the 91st day after the date on which the 2019
9 regular session of the Eightieth Legislative Assembly adjourns sine die.”.

10
