3 “**SECTION 1.** ORS 161.365 is amended to read:

4 “161.365. (1) When the court has reason to doubt the defendant’s fitness to proceed by reason
5 of incapacity as described in ORS 161.360, the court may call any witness to its assistance in
6 reaching its decision and shall order that a community mental health program director, or the
7 director’s designee, consult with the defendant **and with any local entity that would be respon-**
8 **sible for supervising the defendant if the defendant were to be released in the community,**
9 to determine whether services and supervision necessary to safely [*restore*] **allow** the [*defendant’s*]
10 **defendant to gain or regain** fitness to proceed are available in the community. After the consul-
11 tation, the program director or the director’s designee shall provide to the court a copy of the
12 findings resulting from the consultation. If the court determines the assistance of a psychiatrist or
13 psychologist would be helpful, the court may:

14 “(a) Order that a psychiatric or psychological examination of the defendant be conducted by a
15 certified evaluator as defined in ORS 161.309 and a report of the examination be prepared; or

16 “(b) Order the defendant to be committed for the purpose of an examination [*for a period not*
17 *exceeding 30 days*] to a state mental hospital or other facility designated by the Oregon Health Au-

27 “(A) **Return the defendant to the facility from which the defendant was transported; or**

28 “(B) **Inform the court and the parties that the defendant requires a hospital level of care**

32 “(c) **If both parties consent, the court may, without holding a hearing, enter any order**
33 **authorized by ORS 161.370 based on a report resulting from an examination conducted under**
34 **this section.**

1 “[(2)] (3) The report of an examination described in this section must include, but is not neces-

10 **dangerousness and the acuity of symptoms of the defendant’s qualifying mental disorder.**

11 “[(3)] (4) Except when the defendant and the court both request to the contrary, the report may
12 not contain any findings or conclusions as to whether the defendant as a result of a qualifying
13 mental disorder was subject to the provisions of ORS 161.295 or 161.300 at the time of the criminal
14 act charged.

15 “[(4)] (5) If the examination by the psychiatrist or psychologist cannot be conducted by reason
16 of the unwillingness of the defendant to participate in the examination, the report must so state and
17 must include, if possible, an opinion as to whether the unwillingness of the defendant was the result
18 of a qualifying mental disorder affecting capacity to proceed.

19 “[(5)] (6)(a) The report **resulting from the examination of a defendant under this section**
20 **must be filed with the clerk of the court, who shall cause copies to be delivered to the district at-**

32 **“(d) Any facility in which a defendant is housed may not use a report prepared under this**
33 **section to support a disciplinary action against the defendant.**

34 **“(e) Nothing in this subsection prohibits the prosecuting attorney, defense attorney or**

36 **pared under this section with witnesses or victims as otherwise permitted by law.**

37 “[(6)(a)] (7)(a) When upon motion of the court or a financially eligible defendant, the court has
38 ordered a psychiatric or psychological examination of the defendant, a county or justice court shall
39 order the county to pay, and a circuit court shall order the public defense services executive di-
40 rector to pay from funds available for the purpose:

41 “(A) A reasonable fee if the examination of the defendant is conducted by a psychiatrist or
42 psychologist in private practice; and

43 “(B) All costs including transportation of the defendant if the examination is conducted by a
44 psychiatrist or psychologist in the employ of the Oregon Health Authority or a community mental
45 health program established under ORS 430.610 to 430.670.

1 “(b) When an examination is ordered at the request or with the acquiescence of a defendant who

13 "**SECTION 2.** ORS 161.370 is amended to read:

14 "161.370. (1)(a) When the defendant's fitness to proceed is drawn in question, the issue shall be
15 determined by the court.

16 "(b) If neither the prosecuting attorney nor counsel for the defendant contests the finding of the
17 report filed under ORS 161.365, the court may make the determination on the basis of the report.
18 If the finding is contested, the court shall hold a hearing on the issue. If the report is received in
19 evidence in the hearing, the party who contests the finding has the right to summon and to cross-
20 examine any psychiatrist or psychologist who submitted the report and to offer evidence upon the
21 issue. Other evidence regarding the defendant's fitness to proceed may be introduced by either
22 party.

23 "(2)(a) If the court determines that the defendant lacks fitness to proceed, the criminal pro-
24 ceeding against the defendant shall be suspended and[:] **the court shall, at a hearing, proceed in**
25 **accordance with this subsection.**

26 **"(b) After making the determination under paragraph (a) of this subsection, the court**
27 **shall receive input, to be considered at the hearing, from a community mental health pro-**
28 **gram director or the director's designee, and from any local entity that would be responsible**
29 **for supervising the defendant if the defendant were to be released in the community, con-**
30 **cerning whether services and supervision necessary to safely allow the defendant to gain or**
31 **regain fitness to proceed are available in the community.**

32 **"(c) The court and the parties shall at the hearing determine an appropriate action in the**
33 **case, and the court shall enter an order necessary to implement the action. In determining**
34 **the appropriate action, the court shall consider the primary and secondary release criteria**
35 **as defined in ORS 135.230, the least restrictive option appropriate for the defendant, the**
36 **needs of the defendant and the interests of justice. Actions may include but are not limited**
37 **to:**

38 **"(A) Commitment for the defendant to gain or regain fitness to proceed under subsection**
39 **(3) or (5) of this section;**

40 **"(B) Community restoration as recommended by the community mental health program**
41 **director or designee;**

42 **"(C) Release on supervision;**

43 **"(D) Commencement of a civil commitment proceeding under ORS 426.070 to 426.170,**
44 **426.701 or 427.235 to 427.290;**

45 **"(E) Commencement of protective proceedings under ORS chapter 125; or**

1 “(F) Dismissal of the charges pursuant to ORS 135.755.

2 “(d) If the court, while considering or ordering an appropriate action under this sub-
3 section:

4 “(A) Determines that the defendant requires a hospital level of care, the court shall make
5 specific findings regarding why the defendant requires such level of care.

6 “(B) Determines that the defendant does not require a hospital level of care, but that
7 services and supervision necessary to safely allow the defendant to gain or regain fitness to
8 proceed are not available in the community, the court shall set a review hearing 14 days from
9 the date of the determination for any defendant remaining in custody.

10 “[(a)] (3)(a) Unless the court orders an action other than commitment under subsection
11 (2) of this section, and except as otherwise provided in subsections (4) and (5) of this section,
12 if the court finds that the defendant is dangerous to self or others as a result of a qualifying mental
13 disorder, or that, based on the findings resulting from the consultation described in ORS 161.365 (1)
14 and from any information provided by community-based mental health providers or any
15 other sources, the services and supervision necessary to [restore] allow the [defendant’s] defendant
16 to gain or regain fitness to proceed are not available in the community, the court shall commit the
17 defendant to the custody of the superintendent of a state mental hospital or director of a facility[,]
18 designated by the Oregon Health Authority[,] if the defendant is at least 18 years of age, or to the
19 custody of the director of a secure intensive community inpatient facility designated by the author-
20 ity if the defendant is under 18 years of age; or].

21 “(b) If the defendant is committed under this subsection, the community mental health
22 program director shall at regular intervals, during any period of commitment, review avail-
23 able community resources and maintain communication with the defendant and the super-
24 intendent of the state mental hospital or director of the facility in order to facilitate an
25 efficient transition to treatment in the community when ordered.

26 “[(b)] (4)(a) If the court does not make a finding described in [paragraph (a) of this subsection,]
27 subsection (3) of this section, if the circumstances in subsection (5)(c) of this section apply
28 or if the court determines that care other than commitment for incapacity to stand trial would bet-
29 ter serve the defendant and the community, the court shall release the defendant on supervision for
30 as long as the unfitness endures.

31 “(b) The court may order a community mental health program director providing treat-
32 ment to the defendant in the community to provide the court with status reports on the
33 defendant’s progress in gaining or regaining fitness to proceed.

34 “(c) A community mental health program director providing treatment to the defendant
35 in the community shall notify the court if the defendant gains or regains fitness to proceed.

36 “(5)(a) If the most serious offense in the charging instrument is a misdemeanor or vio-
37 lation, except as provided in paragraph (d) of this subsection, the court may not commit the
38 defendant under subsection (3) of this section without a recommendation by a certified
39 evaluator as defined in ORS 161.309, or a community mental health program director or the
40 director’s designee, that the defendant requires a hospital level of care due to the defendant’s
41 dangerousness and the acuity of symptoms of the defendant’s qualifying mental disorder.

42 “(b) If at the time of determining the appropriate action for the case the court has not
43 received a recommendation as to whether the defendant requires a hospital level of care due
44 to the defendant’s dangerousness and the acuity of symptoms of the defendant’s qualifying
45 mental disorder, the court shall order a certified evaluator or a community mental health

1 **program director, or the director's designee, to make such a recommendation.**

2 **“(c) If the court does not order the commitment of a defendant described in this sub-**
3 **section to the state mental hospital or other facility, the court shall hold a hearing in ac-**
4 **cordance with subsection (2)(c) of this section to determine and order an appropriate action**
5 **other than commitment.**

6 **“(d) If the court orders the commitment of a defendant described in this subsection to**
7 **the state mental hospital or other facility without a recommendation that the defendant re-**
8 **quires a hospital level of care due to the defendant's dangerousness and the acuity of symp-**
9 **toms of the defendant's qualifying mental disorder, the court shall make specific written**
10 **findings regarding why commitment is necessary and appropriate.**

11 “[3] (6) When a defendant is released on supervision under subsection [(2)(b)] (4) of this sec-
12 tion, the court may place conditions that the court deems appropriate on the release, including the
13 requirement that the defendant regularly report to the authority or a community mental health
14 program for examination to determine if the defendant has gained or regained capacity to stand
15 trial.

16 “[4] (7) When the court, on its own motion or upon the application of the superintendent of the
17 hospital or director of the facility in which the defendant is committed, a person examining the de-
18 fendant as a condition of release on supervision, or either party, determines, after a hearing, if a
19 hearing is requested, that the defendant has gained or regained fitness to proceed, the criminal
20 proceeding shall be resumed. If, however, the court is of the view that so much time has elapsed
21 since the commitment or release of the defendant on supervision that it would be unjust to resume
22 the criminal proceeding, the court on motion of either party may dismiss the charge and may order
23 the defendant to be discharged or cause a proceeding to be commenced forthwith under ORS 426.070
24 to 426.170, **426.701** or 427.235 to 427.290.

25 “[5] (8) The superintendent of a state hospital or director of a facility to which the defendant
26 is committed shall cause the defendant to be evaluated within 60 days from the defendant's delivery
27 into the superintendent's or director's custody, for the purpose of determining whether there is a
28 substantial probability that, in the foreseeable future, the defendant will have the capacity to stand
29 trial. In addition, the superintendent or director shall:

30 “(a) Immediately notify the committing court if the defendant, at any time, gains or regains the
31 capacity to stand trial or will never have the capacity to stand trial.

32 “(b) Within 90 days of the defendant's delivery into the superintendent's or director's custody,
33 notify the committing court that:

34 “(A) The defendant has the present capacity to stand trial;

35 “(B) There is no substantial probability that, in the foreseeable future, the defendant will gain
36 or regain the capacity to stand trial; or

37 “(C) There is a substantial probability that, in the foreseeable future, the defendant will gain
38 or regain the capacity to stand trial. If the probability exists, the superintendent or director shall
39 give the court an estimate of the time in which the defendant, with appropriate treatment, is ex-
40 pected to gain or regain capacity.

41 “[6)(a)] (9)(a) If the superintendent or director determines that there is a substantial probability
42 that, in the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless
43 the court otherwise orders, the defendant shall remain in the superintendent's or director's custody
44 where the defendant shall receive treatment designed for the purpose of enabling the defendant to
45 gain or regain capacity. In keeping with the notice requirement under subsection [(5)(b)] (8)(b) of

1 this section, the superintendent or director shall, for the duration of the defendant's period of com-
2 mitment, submit a progress report to the committing court, concerning the defendant's capacity or
3 incapacity, at least once every 180 days as measured from the date of the defendant's delivery into
4 the superintendent's or director's custody.

5 “(b)(A) Notwithstanding paragraph (a) of this subsection, if the superintendent or director de-
6 termines that a defendant committed under this section is no longer dangerous to self or others as
7 a result of a qualifying mental disorder, or that the services and supervision necessary to [restore]
8 **allow the [defendant's] defendant to gain or regain** fitness to proceed are available in the com-
9 munity, the superintendent or director shall file notice of that determination with the court.

10 “(B) Upon receipt of the notice, [the court shall order the person released on supervision as de-
11 scribed in subsection (3) of this section.] **the court shall order that a community mental health**
12 **program director or the director's designee consult with the defendant and with any local**
13 **entity that would be responsible for supervising the defendant if the defendant were to be**
14 **released in the community, within seven judicial days, to determine whether services and**
15 **supervision necessary to safely allow the defendant to gain or regain fitness to proceed are**
16 **available in the community. The director or designee shall provide the court and the parties**
17 **with recommendations from the consultation within 14 judicial days of the court's order.**

18 “(C) **Within 14 judicial days of receiving the recommendations from the consultation, the**
19 **court shall hold a hearing to determine an appropriate action in accordance with subsection**
20 **(2)(c) of this section as follows:**

21 “(i) **If, after consideration of the factors and possible actions described in subsection**
22 **(2)(c) of this section, and any recommendations from the consultation described in this par-**
23 **agraph, the court determines that the defendant remains dangerous to self or others as a**
24 **result of a qualifying mental disorder, or that the services and supervision necessary to allow**
25 **the defendant to gain or regain fitness to proceed are not available in the community, the**
26 **court may, after making specific findings to that effect, continue the commitment.**

27 “(ii) **If the court determines that the defendant is no longer dangerous to self or others**
28 **as a result of a qualifying mental disorder, or that the services and supervision necessary**
29 **to allow the defendant to gain or regain fitness to proceed are available in the community,**
30 **the court shall release the defendant after considering the recommendations from the con-**
31 **sultation described in subparagraph (B) of this paragraph.**

32 “(c) A progress report described in paragraph (a) of this subsection may consist of an update to:

33 “(A) The original examination report conducted under ORS 161.365; or

34 “(B) An evaluation conducted under subsection [(5)] (8) of this section, if the defendant did not
35 receive an examination under ORS 161.365.

36 “[7)(a)] (10)(a) A defendant who remains committed under subsection [(6)] (9) of this section
37 shall be discharged within a period of time that is reasonable for making a determination concerning
38 whether or not, and when, the defendant may gain or regain capacity. However, regardless of the
39 number of charges with which the defendant is accused, in no event shall the defendant be com-
40 mitted for longer than whichever of the following, measured from the defendant's initial custody
41 date, is shorter:

42 “(A) Three years; or

43 “(B) A period of time equal to the maximum sentence the court could have imposed if the de-
44 fendant had been convicted.

45 “(b) For purposes of calculating the maximum period of commitment described in paragraph (a)

1 of this subsection:

2 “(A) The initial custody date is the date on which the defendant is first committed under this
3 section on any charge alleged in the accusatory instrument; and

4 “(B) The defendant shall be given credit against each charge alleged in the accusatory instru-
5 ment:

6 “(i) For each day the defendant is committed under this section, whether the days are consec-
7 utive or are interrupted by a period of time during which the defendant has gained or regained fit-
8 ness to proceed; and

9 “(ii) Unless the defendant is charged **on any charging instrument** with aggravated murder or
10 a crime listed in ORS 137.700 (2), for each day the defendant is held in jail **before and after the**
11 **date the defendant is first committed**, whether the days are consecutive or are interrupted by a
12 period of time during which the defendant lacks fitness to proceed.

13 “[8] (11) The superintendent or director shall notify the committing court of the defendant’s
14 impending discharge 30 days before the date on which the superintendent or director is required to
15 discharge the defendant under subsection [(7)] (10) of this section.

16 “[9] (12) When the committing court receives a notice from the superintendent or director
17 under subsection [(5)] (8) or [(8)] (11) of this section concerning the defendant’s progress or lack
18 thereof, the committing court shall determine, after a hearing, if a hearing is requested, whether the
19 defendant presently has the capacity to stand trial.

20 “[10] (13) If at any time the court determines that the defendant lacks the capacity to stand
21 trial, the court shall further determine whether there is a substantial probability that the defendant,
22 in the foreseeable future, will gain or regain the capacity to stand trial and whether the defendant
23 is entitled to discharge under subsection [(7)] (10) of this section. If the court determines that there
24 is no substantial probability that the defendant, in the foreseeable future, will gain or regain the
25 capacity to stand trial or that the defendant is entitled to discharge under subsection [(7)] (10) of
26 this section, the court shall dismiss, without prejudice, all charges against the defendant and:

27 “(a) Order that the defendant be discharged; or

28 “(b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

29 “[11] (14) All notices required under this section shall be filed with the clerk of the court and
30 delivered to both the district attorney and the counsel for the defendant.

31 “[12] (15) If the defendant gains or regains fitness to proceed, the term of any sentence re-
32 ceived by the defendant for conviction of the crime charged shall be reduced by the amount of time
33 the defendant was committed under this section to the custody of a state mental hospital, or to the
34 custody of a secure intensive community inpatient facility[,] designated by the Oregon Health Au-
35 thority.

36 “[13] (16) Notwithstanding the suspension of the criminal proceeding under subsection (2) of
37 this section, the fact that the defendant is unfit to proceed does not preclude any objection through
38 counsel and without the personal participation of the defendant on the grounds that the indictment
39 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon
40 any other ground at the discretion of the court which the court deems susceptible of fair determi-
41 nation prior to trial.

42 “[14] (17) At the time that the court determines that the defendant lacks fitness to proceed
43 under subsection (2) of this section, the court shall notify the defendant that federal law prohibits
44 the defendant from purchasing or possessing a firearm unless the person obtains relief from the
45 prohibition under federal law. The court shall again notify the defendant of the prohibition if the

1 court finds that the defendant has gained or regained fitness to proceed under subsection [(4)] (7)
2 of this section.

3 **“(18)(a) The entity or evaluator conducting an examination of a defendant under this**
4 **section shall provide a copy of any report described in this section to the community mental**
5 **health program director or designee in:**

6 **“(A) The county in which the defendant is charged; and**

7 **“(B) The county of the defendant’s last known residence.**

8 **“(b) Reports prepared under this section are confidential and may be made available only:**

9 **“(A) To the court, prosecuting attorney, defense attorney, agent of the prosecuting or**
10 **defense attorney, defendant, community mental health program director or designee and any**
11 **facility in which the defendant is housed; or**

12 **“(B) As ordered by a court.**

13 **“(c) Any facility in which a defendant is housed may not use a report prepared under this**
14 **section to support a disciplinary action against the defendant.**

15 **“(d) Nothing in this subsection prohibits the prosecuting attorney, defense attorney or**
16 **agent of the prosecuting or defense attorney from discussing the contents of a report pre-**
17 **pared under this section with witnesses or victims as otherwise permitted by law.**

18 **“(19) Unless the court orders otherwise or either party objects, a defendant committed**
19 **to a state hospital or other facility, or a certified evaluator or other expert witness, may**
20 **attend hearings held under this section via simultaneous electronic transmission.**

21 **“(20) The Oregon Health Authority shall establish by rule standards for the input pro-**
22 **vided to the court described in subsection (2) of this section.**

23 **“SECTION 2a. If Senate Bill 25 becomes law, section 2 of this 2019 Act (amending ORS**
24 **161.370) is repealed and ORS 161.370, as amended by section 5, chapter __, Oregon Laws 2019**
25 **(Enrolled Senate Bill 25), is amended to read:**

26 **“161.370. (1)(a) When the defendant’s fitness to proceed is drawn in question, the issue shall be**
27 **determined by the court.**

28 **“(b) If neither the prosecuting attorney nor counsel for the defendant contests the finding of the**
29 **report filed under ORS 161.365, the court may make the determination on the basis of the report.**
30 **If the finding is contested, the court shall hold a hearing on the issue. If the report is received in**
31 **evidence in the hearing, the party who contests the finding has the right to summon and to cross-**
32 **examine any psychiatrist or psychologist who submitted the report and to offer evidence upon the**
33 **issue. Other evidence regarding the defendant’s fitness to proceed may be introduced by either**
34 **party.**

35 **“(2)(a) If the court determines that the defendant lacks fitness to proceed, the criminal pro-**
36 **ceeding against the defendant shall be suspended and[:] the court shall, at a hearing, proceed in**
37 **accordance with this subsection.**

38 **“(b) After making the determination under paragraph (a) of this subsection, the court**
39 **shall receive input, to be considered at the hearing, from a community mental health pro-**
40 **gram director or the director’s designee, and from any local entity that would be responsible**
41 **for supervising the defendant if the defendant were to be released in the community, con-**
42 **cerning whether services and supervision necessary to safely allow the defendant to gain or**
43 **regain fitness to proceed are available in the community.**

44 **“(c) The court and the parties shall at the hearing determine an appropriate action in the**
45 **case, and the court shall enter an order necessary to implement the action. In determining**

1 the appropriate action, the court shall consider the primary and secondary release criteria
2 as defined in ORS 135.230, the least restrictive option appropriate for the defendant, the
3 needs of the defendant and the interests of justice. Actions may include but are not limited
4 to:

5 “(A) Commitment for the defendant to gain or regain fitness to proceed under subsection
6 (3) or (5) of this section;

7 “(B) Community restoration as recommended by the community mental health program
8 director or designee;

9 “(C) Release on supervision;

10 “(D) Commencement of a civil commitment proceeding under ORS 426.070 to 426.170,
11 426.701 or 427.235 to 427.290;

12 “(E) Commencement of protective proceedings under ORS chapter 125; or

13 “(F) Dismissal of the charges pursuant to ORS 135.755.

14 “(d) If the court, while considering or ordering an appropriate action under this sub-
15 section:

16 “(A) Determines that the defendant requires a hospital level of care, the court shall make
17 specific findings regarding why the defendant requires such level of care.

18 “(B) Determines that the defendant does not require a hospital level of care, but that
19 services and supervision necessary to safely allow the defendant to gain or regain fitness to
20 proceed are not available in the community, the court shall set a review hearing 14 days from
21 the date of the determination for any defendant remaining in custody.

22 “(e) The court shall ensure that an order entered under this subsection is provided, by
23 the end of the next judicial day, to any entity ordered to provide services and supervision
24 necessary to restore the defendant’s fitness to proceed.

25 “[A] (3)(a) Unless the court orders an action other than commitment under subsection
26 (2) of this section, and except as otherwise provided in subsections (4) and (5) of this section,
27 if the court finds that the defendant is dangerous to self or others as a result of a qualifying mental
28 disorder, or that, based on the findings resulting from the consultation described in ORS 161.365 (1)
29 and from any information provided by community-based mental health providers or any
30 other sources, the services and supervision necessary to *restore* allow the *defendant’s* defendant
31 to gain or regain fitness to proceed are not available in the community, the court shall commit the
32 defendant to the custody of the superintendent of a state mental hospital or director of a facility[,]
33 designated by the Oregon Health Authority[,] if the defendant is at least 18 years of age, or to the
34 custody of the director of a secure intensive community inpatient facility designated by the author-
35 ity if the defendant is under 18 years of age; *or*].

36 “(b) If the defendant is committed under this subsection, the community mental health
37 program director shall at regular intervals, during any period of commitment, review avail-
38 able community resources and maintain communication with the defendant and the super-
39 intendent of the state mental hospital or director of the facility in order to facilitate an
40 efficient transition to treatment in the community when ordered.

41 “[B] (4)(a) If the court does not make a finding described in *subparagraph (A) of this para-*
42 *graph,*] subsection (3) of this section, if the circumstances in subsection (5)(c) of this section
43 apply or if the court determines that care other than commitment for incapacity to stand trial would
44 better serve the defendant and the community, the court shall release the defendant on supervision
45 for as long as the unfitness endures.

1 **“(b) The court may order a community mental health program director providing treat-**
2 **ment to the defendant in the community to provide the court with status reports on the**
3 **defendant’s progress in gaining or regaining fitness to proceed.**

4 **“(c) A community mental health program director providing treatment to the defendant**
5 **in the community shall notify the court if the defendant gains or regains fitness to proceed.**

6 **“(5)(a) If the most serious offense in the charging instrument is a misdemeanor or vio-**
7 **lation, except as provided in paragraph (d) of this subsection, the court may not commit the**
8 **defendant under subsection (3) of this section without a recommendation by a certified**
9 **evaluator as defined in ORS 161.309, or a community mental health program director or the**
10 **director’s designee, that the defendant requires a hospital level of care due to the defendant’s**
11 **dangerousness and the acuity of symptoms of the defendant’s qualifying mental disorder.**

12 **“(b) If at the time of determining the appropriate action for the case the court has not**
13 **received a recommendation as to whether the defendant requires a hospital level of care due**
14 **to the defendant’s dangerousness and the acuity of symptoms of the defendant’s qualifying**
15 **mental disorder, the court shall order a certified evaluator or a community mental health**
16 **program director, or the director’s designee, to make such a recommendation.**

17 **“(c) If the court does not order the commitment of a defendant described in this sub-**
18 **section to the state mental hospital or other facility, the court shall hold a hearing in ac-**
19 **cordance with subsection (2)(c) of this section to determine and order an appropriate action**
20 **other than commitment.**

21 **“(d) If the court orders the commitment of a defendant described in this subsection to**
22 **the state mental hospital or other facility without a recommendation that the defendant re-**
23 **quires a hospital level of care due to the defendant’s dangerousness and the acuity of symp-**
24 **toms of the defendant’s qualifying mental disorder, the court shall make specific written**
25 **findings regarding why commitment is necessary and appropriate.**

26 *“(b) The court shall ensure that an order entered under this subsection is provided, by the end*
27 *of the next judicial day, to any entity ordered to provide services and supervision necessary to restore*
28 *the defendant’s fitness to proceed.]*

29 **“[(3)] (6) When a defendant is released on supervision under subsection [(2)(a)(B)] (4) of this**
30 **section, the court may place conditions that the court deems appropriate on the release, including**
31 **the requirement that the defendant regularly report to the authority or a community mental health**
32 **program for examination to determine if the defendant has gained or regained capacity to stand**
33 **trial.**

34 **“[(4)] (7) When the court, on its own motion or upon the application of the superintendent of the**
35 **hospital or director of the facility in which the defendant is committed, a person examining the de-**
36 **fendant as a condition of release on supervision, or either party, determines, after a hearing, if a**
37 **hearing is requested, that the defendant has gained or regained fitness to proceed, the criminal**
38 **proceeding shall be resumed. If, however, the court is of the view that so much time has elapsed**
39 **since the commitment or release of the defendant on supervision that it would be unjust to resume**
40 **the criminal proceeding, the court on motion of either party may dismiss the charge and may order**
41 **the defendant to be discharged or cause a proceeding to be commenced forthwith under ORS 426.070**
42 **to 426.170, 426.701 or 427.235 to 427.290.**

43 **“[(5)] (8) The superintendent of a state hospital or director of a facility to which the defendant**
44 **is committed shall cause the defendant to be evaluated within 60 days from the defendant’s delivery**
45 **into the superintendent’s or director’s custody, for the purpose of determining whether there is a**

1 substantial probability that, in the foreseeable future, the defendant will have the capacity to stand
2 trial. In addition, the superintendent or director shall:

3 “(a) Immediately notify the committing court if the defendant, at any time, gains or regains the
4 capacity to stand trial or will never have the capacity to stand trial.

5 “(b) Within 90 days of the defendant’s delivery into the superintendent’s or director’s custody,
6 notify the committing court that:

7 “(A) The defendant has the present capacity to stand trial;

8 “(B) There is no substantial probability that, in the foreseeable future, the defendant will gain
9 or regain the capacity to stand trial; or

10 “(C) There is a substantial probability that, in the foreseeable future, the defendant will gain
11 or regain the capacity to stand trial. If the probability exists, the superintendent or director shall
12 give the court an estimate of the time in which the defendant, with appropriate treatment, is ex-
13 pected to gain or regain capacity.

14 “[~~(6)(a)~~] **(9)(a)** If the superintendent or director determines that there is a substantial probability
15 that, in the foreseeable future, the defendant will gain or regain the capacity to stand trial, unless
16 the court otherwise orders, the defendant shall remain in the superintendent’s or director’s custody
17 where the defendant shall receive treatment designed for the purpose of enabling the defendant to
18 gain or regain capacity. In keeping with the notice requirement under subsection [~~(5)(b)~~] **(8)(b)**
19 of this section, the superintendent or director shall, for the duration of the defendant’s period of com-
20 mitment, submit a progress report to the committing court, concerning the defendant’s capacity or
21 incapacity, at least once every 180 days as measured from the date of the defendant’s delivery into
22 the superintendent’s or director’s custody.

23 “(b)**(A)** Notwithstanding paragraph (a) of this subsection, if the superintendent or director de-
24 termines that a defendant committed under this section is no longer dangerous to self or others as
25 a result of a qualifying mental disorder, or that the services and supervision necessary to [~~restore~~]
26 **allow the [defendant’s] defendant to gain or regain** fitness to proceed are available in the com-
27 munity, the superintendent or director shall file notice of that determination with the court.

28 “**(B)** Upon receipt of the notice, [~~the court shall order the person released on supervision as de-~~
29 ~~scribed in subsection (3) of this section.] **the court shall order that a community mental health**
30 **program director or the director’s designee consult with the defendant and with any local**
31 **entity that would be responsible for supervising the defendant if the defendant were to be**
32 **released in the community, within seven judicial days, to determine whether services and**
33 **supervision necessary to safely allow the defendant to gain or regain fitness to proceed are**
34 **available in the community. The director or designee shall provide the court and the parties**
35 **with recommendations from the consultation within 14 judicial days of the court’s order.**~~

36 “**(C)** Within 14 judicial days of receiving the recommendations from the consultation, the
37 court shall hold a hearing to determine an appropriate action in accordance with subsection
38 **(2)(c) of this section as follows:**

39 “(i) **If, after consideration of the factors and possible actions described in subsection**
40 **(2)(c) of this section, and any recommendations from the consultation described in this par-**
41 **agraph, the court determines that the defendant remains dangerous to self or others as a**
42 **result of a qualifying mental disorder, or that the services and supervision necessary to allow**
43 **the defendant to gain or regain fitness to proceed are not available in the community, the**
44 **court may, after making specific findings to that effect, continue the commitment.**

45 “(ii) **If the court determines that the defendant is no longer dangerous to self or others**

1 **as a result of a qualifying mental disorder, or that the services and supervision necessary**
2 **to allow the defendant to gain or regain fitness to proceed are available in the community,**
3 **the court shall release the defendant after considering the recommendations from the con-**
4 **sultation described in subparagraph (B) of this paragraph.**

5 “(c) A progress report described in paragraph (a) of this subsection may consist of an update to:

6 “(A) The original examination report conducted under ORS 161.365; or

7 “(B) An evaluation conducted under subsection [(5)] (8) of this section, if the defendant did not
8 receive an examination under ORS 161.365.

9 “[7(a)] (10)(a) A defendant who remains committed under subsection [(6)] (9) of this section
10 shall be discharged within a period of time that is reasonable for making a determination concerning
11 whether or not, and when, the defendant may gain or regain capacity. However, regardless of the
12 number of charges with which the defendant is accused, in no event shall the defendant be com-
13 mitted for longer than whichever of the following, measured from the defendant’s initial custody
14 date, is shorter:

15 “(A) Three years; or

16 “(B) A period of time equal to the maximum sentence the court could have imposed if the de-
17 fendant had been convicted.

18 “(b) For purposes of calculating the maximum period of commitment described in paragraph (a)
19 of this subsection:

20 “(A) The initial custody date is the date on which the defendant is first committed under this
21 section on any charge alleged in the accusatory instrument; and

22 “(B) The defendant shall be given credit against each charge alleged in the accusatory instru-
23 ment:

24 “(i) For each day the defendant is committed under this section, whether the days are consec-

27 “(ii) Unless the defendant is charged **on any charging instrument** with aggravated murder or
28 a crime listed in ORS 137.700 (2), for each day the defendant is held in jail **before and after the**
29 **date the defendant is first committed**, whether the days are consecutive or are interrupted by a
30 period of time during which the defendant lacks fitness to proceed.

31 “[8] (11) The superintendent or director shall notify the committing court of the defendant’s
32 impending discharge 30 days before the date on which the superintendent or director is required to
33 discharge the defendant under subsection [(7)] (10) of this section.

34 “[9] (12) When the committing court receives a notice from the superintendent or director
35 under subsection [(5)] (8) or [(8)] (11) of this section concerning the defendant’s progress or lack
36 thereof, the committing court shall determine, after a hearing, if a hearing is requested, whether the
37 defendant presently has the capacity to stand trial.

38 “[10] (13) If at any time the court determines that the defendant lacks the capacity to stand
39 trial, the court shall further determine whether there is a substantial probability that the defendant,
40 in the foreseeable future, will gain or regain the capacity to stand trial and whether the defendant
41 is entitled to discharge under subsection [(7)] (10) of this section. If the court determines that there
42 is no substantial probability that the defendant, in the foreseeable future, will gain or regain the
43 capacity to stand trial or that the defendant is entitled to discharge under subsection [(7)] (10) of
44 this section, the court shall dismiss, without prejudice, all charges against the defendant and:

45 “(a) Order that the defendant be discharged; or

1 “(b) Initiate commitment proceedings under ORS 426.070 or 427.235 to 427.290.

2 “[~~(11)~~] (14) All notices required under this section shall be filed with the court and may be filed
3 electronically. The clerk of the court shall cause copies of the notices to be delivered to both the
4 district attorney and the counsel for the defendant.

5 “[~~(12)~~] (15) If the defendant gains or regains fitness to proceed, the term of any sentence re-
6 ceived by the defendant for conviction of the crime charged shall be reduced by the amount of time
7 the defendant was committed under this section to the custody of a state mental hospital, or to the
8 custody of a secure intensive community inpatient facility[,] designated by the Oregon Health Au-
9 thority.

10 “[~~(13)~~] (16) Notwithstanding the suspension of the criminal proceeding under subsection (2) of
11 this section, the fact that the defendant is unfit to proceed does not preclude any objection through
12 counsel and without the personal participation of the defendant on the grounds that the indictment
13 is insufficient, that the statute of limitations has run, that double jeopardy principles apply or upon
14 any other ground at the discretion of the court which the court deems susceptible of fair determi-
15 nation prior to trial.

16 “[~~(14)~~] (17) At the time that the court determines that the defendant lacks fitness to proceed
