2 “[2] (3) A police officer may not request a urine test unless the officer is certified by the De-
3 partment of Public Safety Standards and Training as having completed at least eight hours of
4 training in recognition of drug impaired driving and the officer has a reasonable suspicion that the
5 person arrested has been driving while under the influence of cannabis, a controlled substance, an
6 inhalant or any combination of cannabis, a controlled substance, an inhalant and intoxicating liquor.

16 “813.132. (1) Except as otherwise provided in this section, a refusal to [*take*] **submit to** a urine

19 **(2)** shall be consecutive to any other suspension imposed under the Motorist Implied Consent Law.
20 If a person is subject to consecutive suspensions, the length of time that must elapse before the
21 Department of Transportation may reinstate driving privileges or issue a hardship permit under ORS
22 813.520 shall be doubled.

23 “(2) [*Before any test of urine may be administered*] **If a person refuses to submit to a urine**
24 **test** under ORS 813.131 (2), in addition to information described in ORS 813.130, the person asked
25 to take the test shall be informed that if the person refuses **to submit to** the test, the person’s
26 driving privileges will be suspended for the same time period and with the same consequences as if
27 the person had refused **to submit to** the breath test and that a suspension for refusal [*of*] **to submit**
28 **to** the urine test will be consecutive to any other suspension under the Motorist Implied Consent
29 Law.

30 “(3) Notwithstanding subsection (1) of this section, no suspension of driving privileges shall be
31 imposed for refusal to [*provide a urine sample*] **submit to a urine test** if the person provides doc-

33 that makes it impossible for the person to provide a sample.

34 “**SECTION 5.** ORS 813.135 is amended to read:

36 of the state shall be deemed to have given consent to submit to field sobriety tests upon the request
37 of a police officer for the purpose of determining if the person is under the influence of intoxicants
38 if the police officer reasonably suspects that the person has committed the offense of driving while
39 under the influence of intoxicants in violation of ORS 813.010 or a municipal ordinance. [*Before the*
40 *tests are administered, the person requested to take the tests shall be informed of the consequences of*
41 *refusing to take or failing to submit to the tests under ORS 813.136*] **If the person refuses to con-**
42 **sent to field sobriety tests, the person shall be asked to provide only physical cooperation to**

4 action or proceeding arising out of allegations that the person was driving while under the influence
5 of intoxicants.

6 “**SECTION 7.** ORS 813.140 is amended to read:

7 “813.140. Nothing in ORS 813.100, **813.131 or 813.132** is intended to preclude the administration
8 of a chemical test described in this section. A police officer may obtain a chemical test of the breath
9 or blood to determine the amount of alcohol in any person’s blood or a test of the person’s blood
10 or urine, or both, to determine the presence of cannabis, a controlled substance or an inhalant in
11 the person as provided in the following:

12 “(1) If, when requested by a police officer, the person expressly consents to such a test.

13 “(2) Notwithstanding subsection (1) of this section, from a person without the person’s consent

23 is admissible in any civil or criminal action, suit or proceeding arising out of acts alleged to have
24 been committed while the person was driving a motor vehicle on premises open to the public or the
25 highways while under the influence of intoxicants.

26 “**SECTION 9.** ORS 813.320 is amended to read:

27 “813.320. (1) The provisions of the implied consent law, except ORS 813.300, shall not be con-
28 strued by any court to limit the introduction of otherwise competent, relevant evidence in any civil
29 action, suit or proceedings or in any criminal action other than a violation of ORS 813.010 or a
30 similar municipal ordinance in proceedings under ORS 813.410.

31 “(2) The provisions of the implied consent law shall not be construed by any court to limit the
32 introduction of otherwise competent, relevant evidence of the amount of alcohol in the blood of a
