5 **SECTION 1.** ORS 137.071 is amended to read:

6 137.071. (1) The judge in a criminal action shall ensure that the creation and filing of a judgment
7 document complies with this section. On appeal, the appellate court may give leave as provided in
8 ORS 19.270 for entry of a judgment document that complies with this section but may not reverse
9 or set aside a judgment, determination or disposition on the sole ground that the judgment document
10 fails to comply with this section.

11 (2) A judgment document in a criminal action must comply with ORS 18.038. In addition, a
12 judgment document in a criminal action must:

13 (a) Indicate whether the defendant was determined to be financially eligible for purposes of ap-
14 pointed counsel in the action.

15 (b) Indicate whether the court appointed counsel for the defendant in the action.

16 (c) If there is no attorney for the defendant, indicate whether the defendant knowingly waived
17 any right to an attorney after having been informed of that right.

18 (d) Include the identity of the recorder or reporter for the proceeding or action who is to be
19 served under ORS 138.081.

20 (e) Include any information specifically required by statute or by court rule.

21 (f) Specify clearly the court's determination for each charge in the information, indictment or
22 complaint.

23 (g) Specify clearly the court's disposition, including all legal consequences the court establishes
24 or imposes. If the determination is one of conviction, the judgment document must include any sus-
25 pension of sentence, forfeiture, imprisonment, cancellation of license, removal from office, monetary
26 obligation, probation, conditions of probation, discharge, restitution, community service and all other
27 sentences and legal consequences imposed by the court. Nothing in this paragraph requires the
28 judgment document to specify any consequences that may result from the determination but are not
29 established or imposed by the court.

30 (h) Include the identities of the attorney for the state and the attorney, if any, for the defendant.

31 **(i) If the court sentences the defendant to a term of incarceration, and the physical**
32 **custody of the defendant as determined by ORS 137.124 is related to the age of the defendant**
33 **at the time of committing an offense, indicate the age of the defendant at the time of com-**
34 **mitting the offense.**

35 (3) A judgment document in a criminal action that includes a money award, as defined in ORS
36 18.005, must comply with ORS 18.048.

37 (4) The requirements of this section do not apply to a judgment document if the action was
38 commenced by the issuance of a uniform citation adopted under ORS 1.525 and the court has used
39 the space on the citation for the entry of a judgment. The exemption provided by this subsection
40 does not apply if any indictment, information or complaint other than a uniform citation is filed in
41 the action.

42 **(5) For the purposes of determining the defendant's age at the time of committing an**
43 **offense under subsection (2) of this section:**

44 **(a) If the defendant is convicted of two or more offenses occurring on different days, the**
45 **defendant's age shall be calculated using the earliest date.**

1 **(b) If the defendant is convicted of an offense occurring within a range of dates, the**
2 **defendant's age shall be calculated using the date at the beginning of the range.**

3 **SECTION 2.** ORS 137.124 is amended to read:

4 137.124. (1) If the court imposes a sentence upon conviction of a felony that includes a term of
5 incarceration that exceeds 12 months:

6 (a) The court shall not designate the correctional facility in which the defendant is to be con-
7 fined but shall commit the defendant to the legal and physical custody of the Department of Cor-
8 rections; and

9 (b) If the judgment provides that the term of incarceration be served consecutively to a term
10 of incarceration of 12 months or less that was imposed in a previous proceeding by a court of this
11 state upon conviction of a felony, the defendant shall serve any remaining part of the previously
12 imposed term of incarceration in the legal and physical custody of the Department of Corrections.

13 (2)(a) If the court imposes a sentence upon conviction of a felony that includes a term of
14 incarceration that is 12 months or less, the court shall commit the defendant to the legal and
15 physical custody of the supervisory authority of the county in which the crime of conviction oc-
16 curred.

17 (b) Notwithstanding paragraph (a) of this subsection, when the court imposes a sentence upon
18 conviction of a felony that includes a term of incarceration that is 12 months or less, the court shall
19 commit the defendant to the legal and physical custody of the Department of Corrections if the court
20 orders that the term of incarceration be served consecutively to a term of incarceration that ex-
21 ceeds 12 months that was imposed in a previous proceeding or in the same proceeding by a court
22 of this state upon conviction of a felony.

23 (3) After assuming custody of the convicted person the Department of Corrections may transfer
24 inmates from one correctional facility to another such facility for the purposes of diagnosis and
25 study, rehabilitation and treatment, as best seems to fit the needs of the inmate and for the pro-
26 tection and welfare of the community and the inmate.

27 (4) If the court imposes a sentence of imprisonment upon conviction of a misdemeanor, it shall
28 commit the defendant to the custody of the supervisory authority of the county in which the crime
29 of conviction occurred.

30 (5)(a) When a person under 18 years of age at the time of committing the offense and under 20
31 years of age at the time of sentencing is committed to the Department of Corrections under ORS
32 **137.707 or due to the fact that criminal proceedings were initiated after the person attained**
33 **18 years of age**, the Department of Corrections shall transfer the physical custody of the person to
34 the Oregon Youth Authority as provided in ORS 420.011 if:

35 (A) The person will complete the sentence imposed before the person attains 25 years of age;

36 (B) The Department of Corrections and the Oregon Youth Authority determine that, because of
37 the person's age, immaturity, mental or emotional condition or risk of physical harm to the person,
38 the person should not be incarcerated initially in a Department of Corrections institution; or

39 (C) The person is under 18 years of age at the time of sentencing and commitment.

40 (b) A person placed in the custody of the Oregon Youth Authority under this subsection who is
41 at least 18 years of age shall be returned to the physical custody of the Department of Corrections
42 whenever the Director of the Oregon Youth Authority, after consultation with the Department of

44 under this subsection are no longer present.

45 (c) Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Cor-

rections transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections. As part of the agreement with the Department of Corrections, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(6)(a) When a person under 18 years of age at the time of committing the offense and under 20 years of age at the time of sentencing is committed to the legal and physical custody of the Department of Corrections or the supervisory authority of a county following waiver under ORS 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370 or sentencing under ORS 137.707 (5)(b)(A) or (7)(b) or 137.712, the Department of Corrections or the supervisory authority of a county shall transfer the person to the physical custody of the Oregon Youth Authority for placement as provided in ORS 420.011 (3). The terms and conditions of the person's incarceration and custody are governed by ORS 420A.200 to 420A.206. Notwithstanding ORS 137.320, the sheriff may by agreement with the Department of Corrections or the supervisory authority of a county transfer the person described in this subsection directly to a youth correction facility for physical custody without first delivering the person to the Department of Corrections or supervisory authority of the county. As part of the agreement with the Department of Corrections or supervisory authority of the county, the sheriff may designate the county juvenile department or the Oregon Youth Authority to conduct the direct transfer described in this paragraph if the sheriff has entered into a written agreement with the county juvenile department, the Oregon Youth Authority, or both, to provide the direct transfer.

(b) Notwithstanding ORS 137.320, when a person under 16 years of age is waived under ORS 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370 and subsequently is sentenced to a term of imprisonment in the county jail, the sheriff shall transfer the person to a youth correction facility for physical custody as provided in ORS 420.011 (3).

[(7) If the Director of the Oregon Youth Authority concurs in the decision, the Department of Corrections or the supervisory authority of a county shall transfer the physical custody of a person committed to the Department of Corrections or the supervisory authority of the county under subsection (1) or (2) of this section to the Oregon Youth Authority as provided in ORS 420.011 (2) if:]

[(a) The person was at least 18 years of age but under 20 years of age at the time of committing the felony for which the person is being sentenced to a term of incarceration;]

[(b) The person is under 20 years of age at the time of commitment to the Department of Corrections or the supervisory authority of the county;]

[(c) The person has not been committed previously to the legal and physical custody of the Department of Corrections or the supervisory authority of a county;]

[(g) The person does not pose a substantial danger to Oregon Youth Authority staff or persons in the custody of the Oregon Youth Authority; and]

[(h) At the time of the proposed transfer, no more than 50 persons are in the physical custody of the Oregon Youth Authority under this subsection.]

1 [(8)] (7) Notwithstanding the provisions of [subsections] **subsection (5)(a)(A) [or (7)]** of this sec-
2 tion, the department or the supervisory authority of a county may not transfer the physical custody
3 of the person under subsection (5)(a)(A) [or (7)] of this section if the Director of the Oregon Youth
4 Authority, after consultation with the Department of Corrections or the supervisory authority of a
5 county, determines that, because of the person's age, mental or emotional condition or risk of
6 physical harm to other persons, the person should not be incarcerated in a youth correction facility.

7 [(9)] (8) Notwithstanding any other provision of this section, under no circumstances may a
8 person under 18 years of age be incarcerated in a Department of Corrections institution.

9 **(9) If a defendant is transferred under subsection (5) of this section, the defendant shall**
10 **also be transferred after a resentencing on the same charges resulting from an appellate**
11 **decision or a post-conviction relief proceeding or for any other reason, even if the defendant**
12 **is 20 years of age or older at the time of the resentencing.**

13 **(10) For the purposes of determining the person's age at the time of committing an of-**
14 **fense under this section:**

15 **(a) If the person is convicted of two or more offenses occurring on different days, the**

17 **(b) If the person is convicted of an offense occurring within a range of dates, the person's**
18 **age shall be calculated using the date at the beginning of the range.**

19 **SECTION 3.** ORS 420.011 is amended to read:

20 420.011. (1) Except as provided in subsections (2) and (3) of this section, admissions to the youth
21 correction facilities are limited to youth offenders who are at least 12 but less than 19 years of age,
22 found by the juvenile court to have committed an act that if committed by an adult would constitute
23 aggravated murder, murder, a felony or a Class A misdemeanor and placed in the legal custody of
24 the Oregon Youth Authority. A youth offender admitted to a youth correction facility may not be
25 transferred by administrative process to any penal or correctional institution.

26 (2)(a) In addition to the persons placed in the legal custody of the youth authority under ORS
27 419C.478 (1) or 419C.481, and with the concurrence of the Director of the Oregon Youth Authority
28 or the director's designee, persons who are committed to the Department of Corrections under ORS
29 137.124 and meet the requirements of ORS 137.124 (5) [or (7)] may be temporarily assigned to a youth
30 correction facility as provided by ORS 137.124 (5) [or (7)]. A person assigned on such a temporary
31 basis remains within the legal custody of the Department of Corrections and such reassignment is
32 subject to termination by the Director of the Oregon Youth Authority by referring the person back
33 to the Department of Corrections as provided in paragraph (b) of this subsection.

34 (b) After a person is transferred to the physical custody of the youth authority under ORS
35 137.124 (5) [or (7)], the Director of the Oregon Youth Authority may refer the person back to the
36 Department of Corrections for physical custody and placement if the director, after consulting with
37 the Department of Corrections, determines that the person is at least 18 years of age and:

38 (A) Poses a substantial danger to youth authority staff or persons in the custody of the youth
39 authority; or

40 (B) Is not likely, in the foreseeable future, to benefit from the rehabilitation and treatment pro-
41 grams administered by the youth authority and is appropriate for placement in a Department of
42 Corrections institution.

43 (3) Any person under 18 years of age at the time of committing the crime and under 20 years
44 of age at the time of sentencing and commitment who, after waiver under ORS 419C.349 (1)(b),
45 419C.352, 419C.364 or 419C.370 or sentencing under ORS 137.707 (5)(b)(A) or (7)(b) or 137.712, is

4 imprisonment in the county jail, shall be temporarily assigned to a youth correction facility by the
5 Department of Corrections, or by the sheriff to whose custody the person has been committed, pur-

7 schools for such assignment. A person assigned to a youth correction facility under ORS 137.124 (6)
8 and this subsection remains within the legal custody of the Department of Corrections or sheriff to
9 whose custody the person was committed. The assignment of such a person to the youth correction
10 facility is subject, when the person is 18 years of age or older, to termination by the director by
11 referring the person back to the Department of Corrections or the sheriff to serve the balance of
12 the person's sentence. Assignment to a youth correction facility pursuant to ORS 137.124 (6) and this
13 subsection, if not terminated earlier by the director, shall terminate upon the person's attaining the
14 age specified in ORS 420A.010 (5) setting the age limits for which the Oregon Youth Authority may
15 retain legal and physical custody of the person, and the person shall be referred to the Department
16 of Corrections or the sheriff having legal custody of the person to serve the balance of the person's
17 sentence.

18 (4) Whenever a person committed to the custody of the Department of Corrections is temporarily
19 assigned to a youth correction facility pursuant to this section, the youth authority may provide

35 offense and the lesser included offense is:

38 (b) Not an offense listed in subsection (4) of this section:

39 (A) But constitutes an offense for which waiver is authorized under ORS 419C.349 **(1)(b)**, the
40 court, upon motion of the district attorney, shall hold a hearing to determine whether to retain ju-

20 for trial, whether or not the other offenses are aggravated murder or offenses listed in subsection
21 (4) of this section. If it appears, upon motion, that the state or the person charged is prejudiced by
22 the joinder and consolidation of offenses, the court may order an election or separate trials of
23 counts or provide whatever other relief justice requires.

24 (7)(a) If a person charged and tried as provided in subsection (6) of this section is found guilty
25 of aggravated murder or an offense listed in subsection (4) of this section and one or more other

12 (2) The use or threatened use of a firearm, whether operable or inoperable, by a defendant
13 during the commission of a felony may be pleaded in the accusatory instrument and proved at trial
14 as an element in aggravation of the crime as provided in this section. When a crime is so pleaded,
15 the aggravated nature of the crime may be indicated by adding the words "with a firearm" to the
16 title of the offense. The unaggravated crime shall be considered a lesser included offense.

17 (3) Notwithstanding the provisions of ORS 161.605 or 137.010 (3) and except as otherwise pro-

20 shall impose at least the minimum term of imprisonment as provided in subsection (4) of this section.
21 Except as provided in ORS 144.122 and 144.126 and subsection (5) of this section, in no case shall
22 any person punishable under this section become eligible for work release, parole, temporary leave
23 or terminal leave until the minimum term of imprisonment is served, less a period of time equivalent
24 to any reduction of imprisonment granted for good time served or time credits earned under ORS
25 421.121, nor shall the execution of the sentence imposed upon such person be suspended by the
26 court.

27 (4) The minimum terms of imprisonment for felonies having as an element the defendant's use
28 or threatened use of a firearm in the commission of the crime shall be as follows:

29 (a) Except as provided in subsection (5) of this section, upon the first conviction for such felony,

33 this subsection or subsection (5) of this section, 10 years, except that if the firearm is a machine gun,

36 (c) Upon conviction for such felony committed after imprisonment pursuant to paragraph (b) of
37 this subsection, 30 years.

38 (5) If it is the first time that the defendant is subject to punishment under this section, rather
39 than impose the sentence otherwise required by subsection (4)(a) of this section, the court may:

40 (a) For felonies committed prior to November 1, 1989, suspend the execution of the sentence or
41 impose a lesser term of imprisonment, when the court expressly finds mitigating circumstances jus-
42 tifying such lesser sentence and sets forth those circumstances in its statement on sentencing; or

43 (b) For felonies committed on or after November 1, 1989, impose a lesser sentence in accordance
44 with the rules of the Oregon Criminal Justice Commission.

45 (6) When a defendant who is convicted of a felony having as an element the defendant's use or

1 threatened use of a firearm during the commission of the crime is a person who was waived [from
2 *juvenile court*] under ORS 137.707 (5)(b)(A), 419C.349 (1)(b), 419C.352, 419C.364 or 419C.370, the court
3 is not required to impose a minimum term of imprisonment under this section.

4 **SECTION 8.** ORS 161.620 is amended to read:

5 161.620. Notwithstanding any other provision of law, a sentence imposed upon any person
6 waived [from *the juvenile court*] under ORS 419C.349, 419C.352, 419C.364 or 419C.370 shall not in-
7 clude any sentence of death or life imprisonment without the possibility of release or parole nor
8 imposition of any mandatory minimum sentence except that a mandatory minimum sentence under:

9 **(1) ORS 137.707 shall be imposed, except as provided in ORS 137.712;**

13 163A.130. (1) A person required to report as a sex offender under ORS 163A.025 (1)(a), (b) or (c),
14 or required to report as a sex offender under the laws of another state as a result of an adjudication
15 in an Oregon juvenile court, may file a petition for an order relieving the person of the obligation
16 to report. The person must pay the filing fee established under ORS 21.135. If the person resides:

17 (a) In this state and is required to report under ORS 163A.025 (2) or (3), the petition must be

22 be filed in the juvenile court in which the person was adjudicated for the act that requires reporting.

23 (2) If the act giving rise to the obligation to report would constitute:

24 (a) A Class A or Class B felony sex crime if committed by an adult, the petition may be filed

32 (3)(a) The juvenile court in which a petition under this section is filed may transfer the matter

35 (b) The juvenile court has exclusive original jurisdiction in any proceeding under this section.

36 (c) The person, the district attorney and the juvenile department are parties to a hearing on a
37 petition filed under this section.

38 (4) The person filing the petition has the burden of proving by clear and convincing evidence
39 that the person is rehabilitated and does not pose a threat to the safety of the public. In determining
40 whether the person has met the burden of proof, the juvenile court may consider but need not be
41 limited to considering:

- 11 ability for the consequences of the act;
- 12 (k) The person's ability and efforts to pay the victim's expenses for counseling and other
- 13 trauma-related expenses or other efforts to mitigate the effects of the act;
- 14 (L) Whether the person has participated in and satisfactorily completed a sex offender treatment
- 15 program or any other intervention, and if so the juvenile court may also consider:
- 16 (A) The availability, duration and extent of the treatment activities;
- 17 (B) Reports and recommendations from the providers of the treatment;
- 18 (C) The person's compliance with court, board or supervision requirements regarding treatment;
- 19 and

- 26 (r) The protection afforded the public by the continued existence of the records; and
- 27 (s) Any other relevant factors.
- 28 (5) In a hearing under this section, the juvenile court may receive testimony, reports and other
- 29 evidence without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and
- 30 40.310 to 40.585 if the evidence is relevant to the determination and findings required under this
- 31 section. As used in this subsection, "relevant evidence" has the meaning given that term in ORS
- 32 40.150.
- 33 (6) When a petition is filed under this section, the state has the right to have a psychosexual
- 34 evaluation of the person conducted. The state shall file notice with the juvenile court of its intention
- 35 to have the person evaluated. If the person objects to the evaluator chosen by the state, the juvenile
- 36 court for good cause shown may direct the state to select a different evaluator.
- 37 (7) As soon as practicable after a petition has been filed under this section, the district attorney
- 38 or juvenile department shall make a reasonable effort to notify the victim of the crime that the
- 39 person has filed a petition seeking relief under this section and, if the victim has requested, to in-
- 40 form the victim of the date, time and place of a hearing on the petition in advance of the hearing.
- 41 (8)(a) When a petition filed under this section is filed:
- 42 (A) While the person is under the jurisdiction of the juvenile court or the Psychiatric Security
- 43 Review Board or less than three years after the date the jurisdiction is terminated, the court shall
- 44 hold a hearing no sooner than 60 days and no later than 120 days after the date of filing.
- 45 (B) Three years or more after the date the juvenile court or board jurisdiction is terminated, the

1 court shall hold a hearing no sooner than 90 days and no later than 150 days after the date of filing.

2 (b) Notwithstanding paragraph (a) of this subsection, upon a showing of good cause, the court
3 may extend the period of time in which a hearing on the petition must be held.

4 (9)(a) When the person proves by clear and convincing evidence that the person is rehabilitated
5 and does not pose a threat to the safety of the public, the court shall grant the petition.

6 (b) Notwithstanding paragraph (a) of this subsection, the court may not grant a petition filed
7 under this section before the date the juvenile court or board jurisdiction over the person is termi-
8 nated.

9 (10) When a juvenile court enters an order relieving a person of the requirement to report under
10 ORS 163A.025, the person shall send a certified copy of the juvenile court order to the Department
11 of State Police.

12 (11) If a person commits an act *[that could be charged as a sex crime listed in ORS 137.707]* **for**
13 **which the person could be waived under ORS 419C.349 (1)(a)** and the person is 15, 16 or 17 years
14 of age at the time the act is committed, the state and the person may stipulate that the person may
15 not petition for relief under this section as part of an agreement that the *[person be subject to the*
16 *jurisdiction of the juvenile court rather than being prosecuted as an adult under ORS 137.707]* **state**
17 **not file a motion requesting waiver under ORS 419C.349 (1)(a).**

18 (12) When a petition is filed under subsection (2)(b) of this section before the termination of ju-

20 is less than 18 years of age, requests counsel and is without sufficient financial means to employ
21 suitable counsel to represent the person, for purposes of the petition described in this section, the
22 court shall appoint suitable counsel to represent the person. Appointment of counsel under this
23 subsection is subject to ORS 419C.200, 419C.203, 419C.206 and 419C.209.

24 **SECTION 10.** ORS 163A.135 is amended to read:

25 163A.135. (1) Except as provided in subsection (7) of this section, a person required to report
26 under ORS 163A.025 (1)(d) may file a petition in the juvenile court for an order relieving the person
27 of the duty to report. The person must pay the filing fee established under ORS 21.135. If the person
28 resides:

29 (a) In this state and is required to report under ORS 163A.025 (2) or (3), the petition must be
30 filed in the juvenile court of the county in which the person resides.

31 (b) In another state and is required to report under ORS 163A.025 (4), the petition must be filed
32 in the juvenile court of the county in which the person attends school or works.

33 (2) If the act giving rise to the obligation to report would constitute:

34 (a) A Class A or Class B felony sex crime if committed in this state by an adult, the petition
35 may be filed no sooner than two years after the termination of the other United States court's ju-
36 risdiction over the person.

37 (b) A Class C felony sex crime if committed in this state by an adult, the petition may be filed
38 no sooner than 30 days before the termination of the other United States court's jurisdiction over
39 the person.

40 (3) The person filing the petition must submit with the petition all releases and waivers neces-
41 sary to allow the district attorney for the county in which the petition is filed to obtain the fol-
42 lowing documents from the jurisdiction in which the person was adjudicated for the act for which
43 reporting is required:

44 (a) The juvenile court petition;

45 (b) The dispositional report to the court;

6 which reporting is required.

7 (4) A person filing a petition under this section has the burden of proving by clear and con-
8 vincing evidence that the person is rehabilitated and does not pose a threat to the safety of the
9 public.

10 (5) Unless the court finds good cause for a continuance, the court shall hold a hearing on the
11 petition no sooner than 90 days and no later than 150 days after the date the petition is filed.

12 (6) If a person who files a petition under this section is required to report as a sex offender for
13 having committed an act that if committed in this state could have subjected the person to [*prose-*
14 *cution as an adult under ORS 137.707*] **waiver under ORS 419C.349 (1)(a)**, the court may not grant
15 the petition notwithstanding the fact that the person has met the burden of proof established in
16 subsection (4) of this section unless the court determines that to do so is in the interest of public
17 safety.

18 (7) This section does not apply to a person who is required to register as a sex offender for life
19 in the jurisdiction in which the offense occurred.

20 (8) In a hearing under this section, the court may receive testimony, reports and other evidence
21 without regard to whether the evidence is admissible under ORS 40.010 to 40.210 and 40.310 to
22 40.585 if the evidence is relevant to the determination and findings required under this section. As
23 used in this subsection, "relevant evidence" has the meaning given that term in ORS 40.150.

24 (9) If the court is satisfied by clear and convincing evidence that the person is rehabilitated and
25 that the person does not pose a threat to the safety of the public, the court shall enter an order
26 relieving the person of the duty to report. When the court enters an order under this subsection, the
27 person shall send a certified copy of the court order to the Department of State Police.

28 **SECTION 11.** ORS 339.317 is amended to read:

29 339.317. (1)(a) No later than five days after a person under 18 years of age is [*charged with a*

33 juvenile department shall give notice of the charge to the school administrator of the school at-
34 tended by the person or to the school administrator of the school district in which the person re-
35 sides. For purposes of this section, "school administrator" has the meaning given that term in ORS

5 department or supervisory authority who sends records under this section is not civilly or criminally
6 liable for failing to disclose the information under this section.

7 (4) As used in this section, “school administrator” has the meaning given that term in ORS
8 419A.305.

9 **SECTION 14.** ORS 419C.005 is amended to read:

10 419C.005. (1) [*Except as otherwise provided in ORS 137.707,*] The juvenile court has exclusive
11 original jurisdiction in any case involving a person who is under 18 years of age and who has
12 committed an act that is a violation, or that if done by an adult would constitute a violation, of a
13 law or ordinance of the United States or a state, county or city.

14 (2) The provisions of subsection (1) of this section do not prevent a court of competent juris-
15 diction from entertaining a civil action or suit involving a youth.

16 (3) The court does not have jurisdiction as provided in subsection (1) of this section after a mi-
17 nor has been emancipated pursuant to ORS 419B.550 to 419B.558.

18 (4) The court’s jurisdiction over a person under this section or ORS 419C.067 continues until
19 one of the following occurs:

20 (a) The court dismisses a petition filed under this chapter or waives the case under ORS
21 419C.340. If jurisdiction is based on a previous adjudication, then dismissal or waiver of a later case
22 does not terminate jurisdiction under the previous case unless the court so orders.

23 (b) The court transfers jurisdiction of the case as provided in ORS 419C.053, 419C.056 and
24 419C.059.

25 (c) The court enters an order terminating jurisdiction.

26 (d) The person becomes 25 years of age.

27 (e) The court places the person under the jurisdiction of the Psychiatric Security Review Board
28 as provided in ORS 419C.529. If the court also has jurisdiction over the person based on a previous
29 adjudication under this chapter or ORS chapter 419B, placing a person under the jurisdiction of the
30 board in a later case does not terminate wardship under the previous case unless the court so or-
31 ders.

32 **SECTION 15.** ORS 419C.050 is amended to read:

33 419C.050. [*Except as otherwise provided in ORS 137.707,*] If during the pendency of a proceeding
34 involving an allegation of a crime in any court other than a juvenile court it is ascertained that the
35 age of the person who is the subject of the proceeding is such that the matter is within the exclusive
36 jurisdiction of the juvenile court, it is the duty of the court in which the proceeding is pending to
37 transfer the proceeding to the juvenile court of the county in which the proceeding is pending. The
38 clerk of the court transferring the proceeding shall notify the clerk of the juvenile court of the
39 transfer.

40 **SECTION 16.** ORS 419C.346 is amended to read:

41 419C.346. If the juvenile court waives a youth to another court under ORS 419C.349 (1)(b) or,
42 419C.355 and] 419C.370 for disposition as an adult, the juvenile court nevertheless may retain ju-
43 risdiction over the youth’s parents or guardians under ORS 419C.570. However, if the court enters
44 an order of waiver under ORS 419C.349 (1)(a) or 419C.364, jurisdiction over the parents or guardi-
45 ans under ORS 419C.570 shall terminate.

1 **SECTION 17.** ORS 419C.352 is amended to read:

2 419C.352. The juvenile court, after a hearing, except as provided in ORS 419C.364 or 419C.370,
3 may waive a youth under 15 years of age at the time the act was committed to circuit court for
4 prosecution as an adult if:

5 (1) The youth is represented by counsel during the waiver proceedings;

6 (2) The juvenile court makes the findings required under ORS 419C.349 [(3) and (4)] (2); and

7 (3) The youth is alleged to have committed an act or acts that if committed by an adult would
8 constitute one or more of the following crimes:

9 (a) Murder or any aggravated form thereof under ORS 163.095 or 163.115;

10 (b) Rape in the first degree under ORS 163.375 (1)(a);

11 (c) Sodomy in the first degree under ORS 163.405 (1)(a); or

12 (d) Unlawful sexual penetration in the first degree under ORS 163.411 (1)(a).

13 **SECTION 18.** ORS 419C.355 is amended to read:

14 419C.355. The juvenile court shall make a specific, detailed, written finding of fact to support
15 [any determination] **the findings made** under ORS 419C.349 [(3) and (4)] (2).

16 **SECTION 19.** ORS 419C.358 is amended to read:

17 419C.358. (1) **Except as otherwise provided in subsection (2) of this section and ORS**
18 **137.707 (6)**, when a person is waived for prosecution as an adult, the person shall be waived only
19 on the actual charges justifying the waiver under ORS 419C.349 [(2)] or 419C.352, as the case may
20 be.

21 (2) Any nonwaivable charges arising out of the same act or transaction as the waivable charge
22 shall be consolidated with the waivable charge [for purposes of conducting the adjudicatory hearing
23 on the nonwaivable charges].

24 **SECTION 20.** ORS 419C.361 is amended to read:

25 419C.361. (1)(a) Notwithstanding that the juvenile court has waived the case under ORS
26 419C.349, 419C.352, [419C.355, 419C.358,] 419C.364, [419C.367 and] **or** 419C.370, the court of waiver
27 shall return the case to the juvenile court unless an accusatory instrument is filed in the court of
28 waiver alleging, in the case of a person under [16] 15 years of age, a crime listed in ORS 419C.352
29 or, in the case of any other person, a crime [listed in ORS 419C.349 (2). Also in the case of a waived
30 person,] **described in ORS 419C.349 (1).**

31 (b) When a trial has been held in the court of waiver upon an accusatory instrument alleging
32 a crime listed in ORS 419C.349 [(2)] (1)(b) or 419C.352, as the case may be, and the person is found
33 guilty of any lesser included offense that is not itself a waivable offense, the trial court shall not
34 sentence the defendant therein, but the trial court shall order a presentence report to be made in
35 the case, shall set forth in a memorandum such observations as the court may make regarding the
36 case and shall then return the case to the juvenile court in order that the juvenile court make dis-
37 position in the case based upon the guilty finding in the court of waiver. Disposition shall be as if
38 the juvenile court itself had found the youth to be in its jurisdiction pursuant to ORS 419C.005. The
39 records and consequences of the case shall, in all respects, be as if the juvenile court itself had
40 found the youth to be in its jurisdiction pursuant to ORS 419C.005. When the person is found guilty
41 of a nonwaivable charge that was consolidated with a waivable charge under ORS 419C.358, the case
42 shall be returned to the juvenile court for disposition as provided in this subsection for lesser in-
43 cluded offenses.

44 (2) Nothing in this section or ORS 419C.358 applies to a waiver under ORS 419C.364 or 419C.370.

45 **SECTION 21.** ORS 420.081 is amended to read:

1 420.081. (1) The total population of youth offenders confined in the youth correction facilities
2 may not exceed the design capacity of the facilities designated for close custody purposes by the
3 Director of the Oregon Youth Authority. The total population limit shall include offenders in the
4 youth correction facility who were waived by the juvenile court to be prosecuted as adults [*or who*
5 *were prosecuted as adults under ORS 137.707*].

6 (2) The director by rule shall determine reasonable standards for care and treatment of youth
7 offenders housed in youth correction facilities. Within the total limit established under subsection
8 (1) of this section, the Director of the Oregon Youth Authority shall establish and impose a maxi-
9 mum allowable population level for each youth correction facility. The maximum allowable popu-
10 lation shall not exceed the design capacity for the facility and shall be further limited by the ability
11 of the facility to meet the standard of care and treatment established by rule under this subsection,
12 protect communities, hold youth offenders accountable for their behavior and improve the compe-
13 tency of youth offenders to become responsible and productive members of their communities.

14 (3) The director by rule shall establish criteria upon which the decision to place a youth in a
15 youth correction facility must be based, and which, in turn, shall be based upon behaviors and
16 characteristics of youths otherwise eligible for commitment to a youth correction facility.

17 (4) After conferring with the juvenile court judges, the director shall develop and implement by
18 rule, a method of controlling admissions to the youth correction facilities so as not to exceed max-
19 imum levels determined under subsections (1) and (2) of this section.

38 sentence imposed **or when a person described in paragraph (a)(B) of this subsection attains**
39 **24 years and six months of age**, the sentencing court shall determine what further commitment

1 (b) The court failed to comply with the requirements of this section in imposing the disposition;

2 or

3 (c) The findings of the court are not supported by substantial evidence in the record.

4 **(7) A person described in subsection (1)(a)(B) of this section may waive a hearing under**
5 **this section.**

6 **SECTION 23.** ORS 137.712 is amended to read:

7 137.712. (1)(a) Notwithstanding ORS 137.700 and 137.707, when a person is convicted of

14 Commission that is less than the minimum sentence that otherwise may be required by ORS 137.700
15 or 137.707 if the court, on the record at sentencing, makes the findings set forth in subsection (2)
16 of this section and finds that a substantial and compelling reason under the rules of the Oregon
17 Criminal Justice Commission justifies the lesser sentence. When the court imposes a sentence under
18 this subsection, the person is eligible for a reduction in the sentence as provided in ORS 421.121 and
19 any other statute **and is eligible for a hearing and conditional release under ORS 420A.203 and**
20 **420A.206.**

26 offender recidivism; and

27 (C) A sentence of probation will better serve to protect society.

28 (2) A conviction is subject to subsection (1) of this section only if the sentencing court finds on
29 the record by a preponderance of the evidence:

32 of age;

33 (B) That the defendant is the mother or father of the victim;

34 (C) That the death of the victim was the result of an injury or illness that was not caused by
35 the defendant;

36 (D) That the defendant treated the injury or illness solely by spiritual treatment in accordance
37 with the religious beliefs or practices of the defendant and based on a good faith belief that spiritual
38 treatment would bring about the victim's recovery from the injury or illness;

39 (E) That no other person previously under the defendant's care has died or sustained significant
40 physical injury as a result of or despite the use of spiritual treatment, regardless of whether the
41 spiritual treatment was used alone or in conjunction with medical care; and

42 (F) That the defendant does not have a previous conviction for a crime listed in subsection (4)
43 of this section or for criminal mistreatment in the second degree.

44 (b) If the conviction is for assault in the second degree:

45 (A) That the victim was not physically injured by means of a deadly weapon;

- 1 (B) That the victim did not suffer a significant physical injury; and
2 (C) That the defendant does not have a previous conviction for a crime listed in subsection (4)
3 of this section.

7 of this section.
- 8 (d) If the conviction is for robbery in the second degree:
9 (A) That the victim did not suffer a significant physical injury;
10 (B) That, if the defendant represented by words or conduct that the defendant was armed with
11 a dangerous weapon, the representation did not reasonably put the victim in fear of imminent sig-
12 nificant physical injury;
13 (C) That, if the defendant represented by words or conduct that the defendant was armed with
14 a deadly weapon, the representation did not reasonably put the victim in fear of imminent physical
15 injury; and
16 (D) That the defendant does not have a previous conviction for a crime listed in subsection (4)
17 of this section.
- 18 (e) If the conviction is for rape in the second degree, sodomy in the second degree or sexual
19 abuse in the first degree:
20 (A) That the victim was at least 12 years of age, but under 14 years of age, at the time of the
21 offense;
22 (B) That the defendant does not have a prior conviction for a crime listed in subsection (4) of
23 this section;

28 offense;
29 (E) That the offense did not involve sexual contact with any minor other than the victim; and
30 (F) That the victim's lack of consent was due solely to incapacity to consent by reason of being
31 under 18 years of age at the time of the offense.
- 32 (f) If the conviction is for unlawful sexual penetration in the second degree:
33 (A) That the victim was 12 years of age or older at the time of the offense;

40 offense;
41 (E) That the offense did not involve sexual contact with any minor other than the victim;

43 under 18 years of age at the time of the offense; and
44 (G) That the object used to commit the unlawful sexual penetration was the hand or any part
45 thereof of the defendant.

1 (3) In making the findings required by subsections (1) and (2) of this section, the court may
2 consider any evidence presented at trial and may receive and consider any additional relevant in-
3 formation offered by either party at sentencing.

29 (a) “Conviction” includes, but is not limited to:

30 (A) A juvenile court adjudication finding a person within the court’s jurisdiction under ORS

36 stitute a crime listed in subsection (4) of this section.

37 (b) “Previous conviction” means a conviction that was entered prior to imposing sentence on the

4 **LIFE IMPRISONMENT**

5
6 **SECTION 24.** (1) A court may not impose a sentence of life imprisonment without the
7 possibility of release or parole on a person who was under 18 years of age at the time of
8 committing the offense.

9 (2) In determining the appropriate sentence for a person who was under 18 years of age
10 at the time of committing the offense, if the court is provided information concerning the
11 following circumstances, or any other relevant circumstances, the court shall consider those
12 circumstances in imposing the sentence:

13 (a) The person's age, intellectual capacity and impetuosity at the time of the offense.

14 (b) The person's family and community environment, history of trauma and prior in-
15 volvement in the juvenile dependency system at the time of the offense.

16 (c) The person's ability at the time of the offense to appreciate the risks and conse-
17 quences of the conduct constituting the offense.

18 (d) The person's community involvement prior to the offense.

19 (e) Any peer or familial pressure to which the person was subjected at the time of the
20 offense.

21 (f) Whether and to what extent an adult was involved in the commission of the offense.

22 (g) The person's capacity for rehabilitation.

23 (h) The person's school records and special education evaluations.

24 (i) Any other mitigating factors or circumstances presented by the person.

25 (3)(a) If the court is provided with a report of a mental health evaluation of the person,
26 the court shall give the evaluation substantial weight in imposing the sentence if:

27 (A) The evaluation was conducted by a psychiatrist or psychologist whose primary prac-
28 tice involves the treatment of adolescents; and

29 (B) The report includes the assessment of the person's degree of insight, judgment,
30 self-awareness, emotional regulation and impulse control.

31 (b) Paragraph (a) of this subsection does not constitute a requirement that a person ob-
32 tain or submit an evaluation for sentencing.

33 (4) When sentencing a person who was under 18 years of age at the time of committing
34 the offense, under no circumstances may the court consider the age of the person as an
35 aggravating factor.

36 (5) When sentencing a person who was under 18 years of age at the time of committing
37 an offense to a term of imprisonment, the court shall indicate in the judgment:

38 (a) The age of the person at the time of committing the offense; and

39 (b) That the person is eligible for a hearing and release under section 25 of this 2019 Act.

40 **SECTION 25.** (1)(a) A person convicted of an offense or offenses committed when the
41 person was under 18 years of age, who is serving a sentence of imprisonment for the offense
42 or offenses, is eligible for release on parole or post-prison supervision as provided in this
43 section after the person has served 15 years of imprisonment.

44 (b) Nothing in this section is intended to prevent a person from being released prior to
45 serving 15 years of imprisonment under any other provision of law.

1 (c) As used in this subsection, “served 15 years of imprisonment” means that 15 years
2 have passed since the person began serving the sentence, including pretrial incarceration but
3 not including any reduction in sentence under ORS 421.121 or any other statute.

4 (2) This section applies notwithstanding the fact that the person was:

5 (a) Sentenced to a minimum sentence under ORS 163.105, 163.115 or 163.155.

6 (b) Sentenced to a mandatory minimum sentence under ORS 137.700, 137.707 or 137.717,
7 a determinate sentence under ORS 137.635 or a sentence required by any other provision of
8 law.

9 (c) Sentenced to two or more consecutive sentences under ORS 137.123.

10 (3) When a person eligible for release on parole or post-prison supervision as described
11 in subsection (1) of this section has served 15 years of imprisonment, the State Board of
12 Parole and Post-Prison Supervision shall hold a hearing. The hearing must provide the per-
13 son a meaningful opportunity to be released on parole or post-prison supervision.

14 (4) The board may require the person, before holding a hearing described in this section,
15 to be examined by a psychiatrist or psychologist with expertise in adolescent development.
16 Within 60 days of the evaluation, the examining psychiatrist or psychologist shall file a
17 written report of the findings and conclusions of the examination with the board. A certified
18 copy of the report shall be provided to the person and the person’s attorney.

19 (5) During a hearing under this section, the board shall consider and give substantial
20 weight to the fact that a person under 18 years of age is incapable of the same reasoning and
21 impulse control as an adult and the diminished culpability of minors as compared to that of
22 adults. The board shall also consider the following circumstances, if relevant to the specific
23 person and offense:

24 (a) The age and immaturity of the person at the time of the offense.

25 (b) Whether and to what extent an adult was involved in the offense.

26 (c) The person’s family and community circumstances at the time of the offense, in-
27 cluding any history of abuse, trauma and involvement in the juvenile dependency system.

28 (d) The person’s subsequent emotional growth and increased maturity during the
29 person’s imprisonment.

30 (e) The person’s participation in rehabilitative and educational programs while in custody
31 if such programs have been made available to the person and use of self-study for self-
32 improvement.

33 (f) A mental health diagnosis.

34 (g) Any other mitigating factors or circumstances presented by the person.

35 (6) Under no circumstances may the board consider the age of the person as an aggra-
36 vating factor.

37 (7) If the board finds that, based on the consideration of the age and immaturity of the
38 person at the time of the offense and the person’s behavior thereafter, the person has dem-
39 onstrated maturity and rehabilitation, the board shall release the person as follows:

40 (a) For a person sentenced under ORS 163.105, 163.115 or 163.155, the board shall set a
41 release date that is not more than 60 days from the date of the hearing and, notwithstanding
42 section 28, chapter 790, Oregon Laws 1989, the person shall be released on parole in accord-
43 ance with ORS 144.125, 144.260 and 144.270.

44 (b) A person sentenced to a term of imprisonment under a provision of law other than
45 ORS 163.105, 163.115 or 163.155 shall be released on post-prison supervision in accordance with

1 **ORS 144.096 and 144.098 within 60 days of the date of the hearing.**

2 (8) **Unless the context requires otherwise, the provisions of ORS 144.260 to 144.380 apply**
3 **to a person released on parole under subsection (7)(a) of this section.**

4 (9) **If the board determines that the person has not demonstrated maturity and rehabili-**
5 **tation under subsection (7) of this section, the board may postpone a subsequent hearing to**
6 **a date that is at least two years but no more than 10 years from the date of the hearing.**

7 (10) **The person may waive a hearing under this section. Notwithstanding waiver of the**
8 **hearing, the board shall hold a hearing under this section upon the person's written request.**

9 (11) **The board shall provide notice of the hearing to:**

10 (a) **The district attorney of the county in which the person was convicted; and**

11 (b) **The victim of any offense for which the person is serving a sentence, if the victim**
12 **requests to be notified and furnishes the board with a current address.**

13 (12) **A person has the right to counsel, including counsel appointed at board expense, at**
14 **a hearing under this section.**

15 (13) **The board may adopt rules to carry out the provisions of this section.**

16 **SECTION 26.** ORS 144.185 is amended to read:

17 144.185. Before making a determination regarding a prisoner's release on parole as provided by
18 ORS 144.125 **or section 25 of this 2019 Act**, the State Board of Parole and Post-Prison Supervision
19 may cause to be brought before it current records and information regarding the prisoner, including:

20 (1) Any relevant information which may be submitted by the prisoner, the prisoner's attorney,
21 the victim of the crime, the Department of Corrections, or by other persons;

22 (2) The presentence investigation report specified in ORS 144.791 or if no such report has been
23 prepared, a report of similar content prepared by institutional staff;

24 (3) The reports of any physical, mental and psychiatric examinations of the prisoner;

25 (4) The prisoner's parole plan; and

26 (5) Other relevant information concerning the prisoner as may be reasonably available.

27 **SECTION 27.** ORS 163.105 is amended to read:

28 163.105. Notwithstanding the provisions of ORS chapter 144 and ORS 421.450 to 421.490:

29 (1)(a) Except as otherwise provided in ORS 137.707, when a defendant is convicted of aggravated
30 murder as defined by ORS 163.095, the defendant shall be sentenced, pursuant to ORS 163.150, to
31 death, life imprisonment without the possibility of release or parole or life imprisonment.

32 (b) A person sentenced to life imprisonment without the possibility of release or parole under
33 this section shall not have that sentence suspended, deferred or commuted by any judicial officer,
34 and the State Board of Parole and Post-Prison Supervision may not parole the prisoner nor reduce
35 the period of confinement in any manner whatsoever. The Department of Corrections or any execu-
36 tive official may not permit the prisoner to participate in any sort of release or furlough program.

37 (c) If sentenced to life imprisonment, the court shall order that the defendant shall be confined
38 for a minimum of 30 years without possibility of parole[,] **or** release to post-prison supervision **ex-**
39 **cept as provided in section 25 of this 2019 Act, and without the possibility of** release on work
40 release or any form of temporary leave or employment at a forest or work camp.

41 (2) At any time after completion of a minimum period of confinement pursuant to subsection
42 (1)(c) of this section, the State Board of Parole and Post-Prison Supervision, upon the petition of a
43 prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated
44 within a reasonable period of time. The sole issue is whether or not the prisoner is likely to be re-
45 habilitated within a reasonable period of time. At the hearing, the prisoner has:

1 (a) The burden of proving by a preponderance of the evidence the likelihood of rehabilitation
2 within a reasonable period of time;

3 (b) The right, if the prisoner is without sufficient funds to employ an attorney, to be represented
4 by legal counsel, appointed by the board, at board expense; and

5 (c) The right to a subpoena upon a showing of the general relevance and reasonable scope of
6 the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by
7 the State Board of Parole and Post-Prison Supervision pursuant to rules adopted by the board.

8 (3) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board mem-
9 bers or, if the chairperson requires all voting members to participate, a unanimous vote of all voting
10 members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's
11 confinement should be changed to life imprisonment with the possibility of parole, release to post-
12 prison supervision or work release, it shall enter an order to that effect and the order shall convert
13 the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release
14 to post-prison supervision or work release and may set a release date. Otherwise the board shall
15 deny the relief sought in the petition.

16 (4) If the board denies the relief sought in the petition, the board shall determine the date of the
17 subsequent hearing, and the prisoner may petition for an interim hearing, in accordance with ORS
18 144.285.

19 (5) The board's final order shall be accompanied by findings of fact and conclusions of law. The
20 findings of fact shall consist of a concise statement of the underlying facts supporting the findings
21 as to each contested issue of fact and as to each ultimate fact required to support the board's order.

22 **SECTION 28.** ORS 163.115 is amended to read:

23 163.115. (1) Except as provided in ORS 163.118 and 163.125, criminal homicide constitutes mur-

26 of the homicide, the defendant was under the influence of an extreme emotional disturbance;

27 (b) When it is committed by a person, acting either alone or with one or more persons, who
28 commits or attempts to commit any of the following crimes and in the course of and in furtherance
29 of the crime the person is committing or attempting to commit, or during the immediate flight
30 therefrom, the person, or another participant if there be any, causes the death of a person other

42 age, or assault in the second degree, as defined in ORS 163.175 (1)(a) or (b), and the victim is under
43 14 years of age; or

44 (c) By abuse when a person, recklessly under circumstances manifesting extreme indifference to
45 the value of human life, causes the death of a child under 14 years of age or a dependent person,

1 as defined in ORS 163.205, and:

2 (A) The person has previously engaged in a pattern or practice of assault or torture of the vic-
3 tim or another child under 14 years of age or a dependent person; or

4 (B) The person causes the death by neglect or maltreatment.

5 (2) An accusatory instrument alleging murder by abuse under subsection (1)(c) of this section
6 need not allege specific incidents of assault or torture.

7 (3) It is an affirmative defense to a charge of violating subsection (1)(b) of this section that the

18 the victim was a dependent person who was at least 18 years of age and was under care or treat-
19 ment solely by spiritual means pursuant to the religious beliefs or practices of the dependent person
20 or the guardian of the dependent person.

21 (5) Except as otherwise provided in ORS 163.155 **and section 25 of this 2019 Act:**

22 (a) A person convicted of murder, who was at least 15 years of age at the time of committing
23 the murder, shall be punished by imprisonment for life.

24 (b) When a defendant is convicted of murder under this section, the court shall order that the
25 defendant shall be confined for a minimum of 25 years without possibility of parole, release to
26 post-prison supervision, release on work release or any form of temporary leave or employment at
27 a forest or work camp.

28 (c) At any time after completion of a minimum period of confinement pursuant to paragraph (b)
29 of this subsection, the State Board of Parole and Post-Prison Supervision, upon the petition of a
30 prisoner so confined, shall hold a hearing to determine if the prisoner is likely to be rehabilitated
31 within a reasonable period of time. The sole issue is whether the prisoner is likely to be rehabili-
32 tated within a reasonable period of time. At the hearing the prisoner has:

33 (A) The burden of proving by a preponderance of the evidence the likelihood of rehabilitation
34 within a reasonable period of time;

35 (B) The right, if the prisoner is without sufficient funds to employ an attorney, to be represented
36 by legal counsel, appointed by the board, at board expense; and

37 (C) The right to a subpoena upon a showing of the general relevance and reasonable scope of
38 the evidence sought, provided that any subpoena issued on behalf of the prisoner must be issued by
39 the State Board of Parole and Post-Prison Supervision pursuant to rules adopted by the board.

40 (d) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board mem-
41 bers or, if the chairperson requires all voting members to participate, a unanimous vote of all voting
42 members, finds that the prisoner is capable of rehabilitation and that the terms of the prisoner's
43 confinement should be changed to life imprisonment with the possibility of parole, release to post-
44 prison supervision or work release, it shall enter an order to that effect and the order shall convert
45 the terms of the prisoner's confinement to life imprisonment with the possibility of parole, release

1 to post-prison supervision or work release and may set a release date. Otherwise, the board shall
2 deny the relief sought in the petition.

3 (e) If the board denies the relief sought in the petition, the board shall determine the date of the
4 subsequent hearing, and the prisoner may petition for an interim hearing, in accordance with ORS
5 144.285.

6 (f) The board's final order shall be accompanied by findings of fact and conclusions of law. The
7 findings of fact shall consist of a concise statement of the underlying facts supporting the findings
8 as to each contested issue of fact and as to each ultimate fact required to support the board's order.

9 (6) As used in this section:

10 (a) "Assault" means the intentional, knowing or reckless causation of physical injury to another
11 person. "Assault" does not include the causation of physical injury in a motor vehicle accident that
12 occurs by reason of the reckless conduct of a defendant.

13 (b) "Neglect or maltreatment" means a violation of ORS 163.535, 163.545 or 163.547 or a failure
14 to provide adequate food, clothing, shelter or medical care that is likely to endanger the health or
15 welfare of a child under 14 years of age or a dependent person. This paragraph is not intended to
16 replace or affect the duty or standard of care required under ORS chapter 677.

17 (c) "Pattern or practice" means one or more previous episodes.

18 (d) "Torture" means the intentional infliction of intense physical pain upon an unwilling victim
19 as a separate objective apart from any other purpose.

20 **SECTION 29.** ORS 163.155 is amended to read:

21 163.155. (1) When a defendant, who was at least 15 years of age at the time of committing the
22 murder, is convicted of murdering a pregnant victim under ORS 163.115 (1)(a) and the defendant
23 knew that the victim was pregnant, the defendant shall be sentenced to life imprisonment without
24 the possibility of release or parole **if the person was at least 18 years of age at the time of**
25 **committing the offense** or to life imprisonment. The court shall conduct a sentencing proceeding
26 to determine whether the defendant shall be sentenced to life imprisonment without the possibility
27 of release or parole as described in subsection (4) of this section or to life imprisonment as described
28 in subsection (5) of this section. If the defendant waives all rights to a jury sentencing proceeding,
29 the court shall conduct the sentencing proceeding as the trier of fact. The procedure for the sen-
30 tencing proceeding, whether before a court or a jury, shall follow the procedure of ORS 163.150
31 (1)(a), as modified by this section.

32 (2) Following the presentation of evidence and argument under subsection (1) of this section, the
33 court shall instruct the jury that the trial court shall sentence the defendant to life imprisonment
34 without the possibility of release or parole as described in subsection (4) of this section, unless after
35 considering all of the evidence submitted, 10 or more members of the jury find there are sufficient
36 mitigating circumstances to warrant life imprisonment with the possibility of release or parole as
37 described in subsection (5) of this section. If 10 or more members of the jury do not find there are
38 sufficient mitigating circumstances to warrant life imprisonment with the possibility of release or
39 parole, the trial court shall sentence the defendant to life imprisonment without the possibility of
40 release or parole as described in subsection (4) of this section. If 10 or more members of the jury
41 find there are sufficient mitigating circumstances to warrant life imprisonment with the possibility
42 of release or parole, the trial court shall sentence the defendant to life imprisonment as described
43 in subsection (5) of this section.

44 (3) Nothing in this section precludes the court from sentencing the defendant to life
45 imprisonment, as described in subsection (5) of this section, or life imprisonment without the possi-

1 bility of release or parole, as described in subsection (4) of this section, pursuant to a stipulation
2 of sentence or stipulation of sentencing facts agreed to and offered by both parties if the defendant
3 waives all rights to a jury sentencing proceeding.

4 (4) A sentence of life imprisonment without the possibility of release or parole under this section
5 may not be suspended, deferred or commuted by any judicial officer, and the State Board of Parole
6 and Post-Prison Supervision may neither parole the prisoner nor reduce the period of confinement
7 in any manner whatsoever. The Department of Corrections or any executive official may not permit
8 the prisoner to participate in any sort of release or furlough program.

9 (5) If the defendant is sentenced to life imprisonment, the court shall order that the defendant
10 be confined for a minimum of 30 years without possibility of parole[,] **or** release to post-prison
11 supervision **except as provided in section 25 of this 2019 Act, and without the possibility of**
12 release on work release or any form of temporary leave or employment at a forest or work camp.

13 (6) At any time after completion of the minimum period of confinement pursuant to subsection
14 (5) of this section, the board, upon the petition of a prisoner so confined, shall hold a hearing to
15 determine if the prisoner is likely to be rehabilitated within a reasonable period of time. The sole
16 issue shall be whether the prisoner is likely to be rehabilitated within a reasonable period of time.
17 The proceeding shall be conducted in the manner prescribed for a contested case hearing under ORS
18 chapter 183, except that:

19 (a) The prisoner has the burden of proving by a preponderance of the evidence the likelihood
20 of rehabilitation within a reasonable period of time;

21 (b) The prisoner has the right, if the prisoner is without sufficient funds to employ an attorney,
22 to be represented by legal counsel, appointed by the board, at board expense; and

23 (c) The prisoner has the right to a subpoena upon a showing of the general relevance and rea-
24 sonable scope of the evidence sought, provided that any subpoena issued on behalf of the prisoner
25 must be issued by the board pursuant to rules adopted by the board.

26 (7) If, upon hearing all of the evidence, the board, upon a unanimous vote of three board mem-
