27 “(vi) A private foundation; or

28 “(vii) A faith-based organization;

29 “(D) Be organized to focus on addressing health disparities of  
30 underserved communities of color, Oregon’s nine federally recognized

1 Indian tribes, immigrants, refugees, migrant and seasonal  
2 farmworkers, low-income populations, persons with disabilities and  
3 lesbian, gay, bisexual, transgender and questioning communities in  
4 rural and urban areas;

5 “(E) Have 51 percent or more of the leadership positions or mem-  
6 bers of the decision-making body of the coalition be persons of color;

7 “(F) Be led in the development of the coalition’s objectives and  
8 strategic priorities by members of the communities most affected by  
9 health disparities; and

10 “(G) Involve in its activities a range of community partners, in-  
11 cluding a range of culturally specific community-based organizations,  
12 Oregon’s nine federally recognized Indian tribes and public agencies.

13 “(4) The authority shall establish formal partnerships with regional  
14 health equity coalitions and seek out consultation with and technical  
15 assistance from regional health equity coalitions to identify  
16 sustainable, long term policy, system and environmental solutions to  
17 increase health equity for communities of color and other  
18 marginalized groups.

19 “(5)(a) The authority shall appoint and support the work of a re-  
20 gional health equity coalition fidelity committee to oversee the re-  
21 gional health equity coalitions in this state that have partnered with  
22 coordinated care organizations. The committee may have up to 13  
23 members and must include at least one representative from each of  
24 the regional health equity coalitions receiving funding from the au-  
25 thority through the Office of Equity and Inclusion and at least one  
26 individual from the office.

27 “(b) The committee shall:

28 “(A) Conduct annual evaluations of coordinated care organizations  
29 to assess their compliance with the requirements of this section re-  
30 lated to establishing partnerships, providing support and developing

1 and advocating for health equity-related policies, system changes and  
2 environmental changes identified by the regional health equity coali-  
3 tion as described in subsection (2) of this section;

4 “(B) Provide directives to each coordinated care organization based  
5 on the findings from the annual evaluation to ensure that the coordi-  
6 nated care organization has implemented health equity-related poli-  
7 cies, system changes and environmental changes; and

8 “(C) Establish funding criteria for regional health equity coalitions  
9 that are partnered with coordinated care organizations.

10 “(6)(a) Each coordinated care organization that has a regional  
11 health equity coalition in the coordinated care organization’s region  
12 shall form a meaningful partnership with the regional health equity  
13 coalition and develop a mutually agreed upon scope of work with suf-  
14 ficient resources negotiated by contract. Regional health equity coali-  
15 tions may decline partnerships for any reason.

16 “(b) Partnerships between regional health equity coalitions and co-  
17 ordinated care organizations should be further developed through fu-  
18 ture rulemaking by the authority, based on coordinated care  
19 organization contracts and feedback from all stakeholder groups, in-  
20 cluding what potential partnerships between coordinated care organ-  
21 izations and regional health equity coalitions could entail.

22 “(7) Each coordinated care organization that does not have a re-  
23 gional health equity coalition in the coordinated care organization’s  
24 region shall seek out partnerships with local culturally specific  
25 community-based organizations and Oregon’s nine federally recognized  
26 Indian tribes through continuous base funding opportunities to create  
27 regional health equity coalitions in the coordinated care organization’s  
28 region in consultation with the regional health equity coalition fidelity  
29 committee.”.

30 On page 8, line 18, after “for” delete the rest of the line and line 19 and

1 insert “increasing funding to the six regional health equity coalitions oper-  
2 ating on the effective date of this 2019 Act. The appropriation under this  
3 section may not be used for staffing and program costs for the Office of Eq-  
4 uity and Inclusion, as defined in section 1 of this 2019 Act, that are associ-  
5 ated with the regional health equity coalition fidelity committee appointed  
6 under section 1 of this 2019 Act.”.
