

TO HOUSE BUSINESS AND LABOR COMMITTEE
re Hearing February 3, 2020

I am writing as a member of the American Association of University Women of OR (AAUW).

We support – I support – House Bill 4076 which creates a Task Force to study the problem of age discrimination in Oregon and to make recommendations for legislative action.

Age discrimination is real. We know – I know – of others who have personally experienced age discrimination. One's obligations to provide for oneself and family members does not end at 50, 55 or 60. Age discrimination has been allowed to go on far too long, and it must be stopped.

Thank you for your service to me and to all of the citizens of Oregon.

Sincerely,

Mardy Stevens
