Dear Oregon Legislators,

I am aware that you will be considering SB 1530, the cap-and-trade bill. I want to express my opposition to the bill, and hope you will vote against it. It would create additional fiscal burdens on us Oregonians and result in higher costs of living in a state that already costs too much. Furthermore it is based on a political belief, not a fully vetted scientific understanding. Please vote “no”.

Respectfully,  
Paul Sprunger
