

Dear Chair Doherty and Members of the Committee,

As a parent, I oppose this bill because my children's health should only be discussed with myself and any doctors I choose to utilize. OHA is a government agency and not my family's doctor therefore they are not privy to this information. Having an OPT out/in system is not enough to insure this will not happen as OPT out/in systems in the past have failed to do exactly what the parent wishes.

Regards,
Tammy Bennett
