

Representative Bonham and Williamson,

I am writing in support of HB 4121 as a long time and now former resident of The Dalles, Oregon. I have been very concerned about a publicly funded jail having an ICE contract for Immigration detainees. Even though I am no longer a resident in your district, I believe this ICE contract is an inappropriate use of a tax payer facility and it affects all Oregonians.

Yours sincerely,  
Beverly Sherrill  
Florence, Oregon 97439
