

Dear Chair Doherty and Members of the Committee,

As a parent, I oppose this bill because I am in charge of my child's health. Not the schools. Schools need to be in charge of my children's education. That is what I want our schools focussing on. With all the budget issues and lack of building maintenance and constant requests for more of my tax money, we do not need another bureaucratic office doing something that has nothing to do with education.

Stop wasting our tax dollars on things that are the parent's responsibility and get back to EDUCATION!  
That is what I send my kids to the public schools for.

Also this violates HIPPA and does so without parental consent. Enough.

Sincerely,  
Sylvia Colasacco
