

Feb. 3, 2020

To: Honorable Representative Doherty and Education Committee members
Title: Chair, House Committee on Education Oregon State Legislature
RE: Support for House Bill 4140

Dear Representative Doherty and other members of House Committee on Education,

My name is Lyndsay Rae Porter and I support this bill because we need to protect our children in the tragic event of a concussion occurring while attending school or school-related activities.

Thank you for your consideration.

Sincerely,

Lyndsay Rae Porter
