Dear Chair Dembrow and Members of the Committee,

I support strong action on climate change.

As a parent of a (nearly) 4-year-old girl, I feel strongly that mitigating the effects of climate change is the single most important problem we have to tackle as a civilization. Oregon has the opportunity to lead the way in this. It would be a tragedy if we didn't seize upon the opportunity.

Please don't delay passing SB 1530 this session.

Thank you,

Jonathan Lin
