

HOUSING ALLIANCE

February 3, 2020

House Committee on Human Services and Housing
Oregon State Legislature
900 Court Street NE
Salem, OR 97301

Dear Chair Keny-Guyer, Vice-Chair Noble, Vice-Chair Williams, members of the Committee:

I am writing to you today on behalf of the Oregon Housing Alliance to express our strong support for HB 4120, which will provide support to youth aging out of our foster care system and strengthen our Independent Living Program.

The Oregon Housing Alliance is a coalition of ninety organizations from all parts of the state. Our members have come together with the knowledge that housing opportunity is the foundation on which all of our success is built – individual success as students, parents, workers, and community members as well as the success of our communities. We represent a diverse set of voices including non-profit housing developers, residents of affordable housing, local jurisdictions, and organizations working to meet basic needs in every corner of our state. We believe that all Oregonians need a safe, stable, and affordable place to call home.

Today, we know that too many young Oregonians are experiencing housing instability, and for children who are in the foster care system, the transition to adulthood can be difficult. Many foster youth face barriers to renting their own apartment after transitioning out of care, including the increasing cost of housing across our state. In addition, youth face several specific barriers including a lack of rental history, and no one to co-sign for their first lease to build that history. They may also need support to learn the life skills necessary to live independently.

Oregon has an existing program which supports youth, but today, only half of youth are able to access the Independent Living Program and access these services. HB 4120 would strengthen our network of Independent Living Program providers, and expand these necessary services to more youth.

We know that young people today need support and assistance to be able to access safe, stable, and affordable housing. We urge your support of HB 4120.

Thank you very much for your time, and for your service to our state.

Sincerely,
