

To whom it may concern,

I'm writing today to inform you of your irrelevant, irrational, and irresponsible bill proposing to disarm law abiding Oregon gun owners.

I will only comply to the 2nd Amendment of Oregon and the US Constitution and Bill of Rights. Have you forgotten that you took an OATH to defend all God given rights including the 2nd Amendment? Why are you trying to strip me of my right to self defense in my own home to have readily available firearms to defend myself, family, and property?

Why are you greedily caving in to Mike Bloomberg and George Soros? You and your socialist far left Democrats want power and to protect criminals after they hurt me and then steal my firearms? You should be more concerned about prosecuting criminals for stealing guns and hurting people, rather than destroying law abiding gun owners that you fear, since an armed America and state of Oregon reduces your tyrannical agenda of power, because an armed society controls the power. You in your political positions as senators and representatives work for all the people of Oregon, even gun owners.

So please leave my God given rights alone and abide by the law of the land which is the US Constitution and Bill of Rights, plus our Oregon 2nd Amendment.

Stop trying to control people with taking their guns, while you maintain your guns and armed state police and private security.

Thank you for your time,

Thomas J Paugh
