

I am against the law! It takes away the 2nd Amendment United States citizen's rights!  
The criminals will have the guns if they come into our homes where our guns are locked  
up!! You will be responsible for the murder of unprotected Oregonians if you pass this  
unconstitutional law!

Jerry L Williams  
899 West D Street  
Lebanon, Oregon

A United States Citizen protected by The Constitution and Bill of Rights in America!!
