

I believe we should bring treason charges against all who vote against our constitutional right. Especially those who believe that they govern the people instead of being governed by the people. The only thing this bill will do is make a lot of Oregonians outlaws. We will not give up our rights for politicians sitting in glass houses. I have watched as the state capitol turns into a slum for homeless. Oregon's Liberal policies have done nothing but make this state more and more unlivable. High taxes, high cost of living, unfunded mandate, welfare state.

Be American, get off your butts and do the work that needs to be done instead of passing a one sided liberal agenda.
