

I have lived in this state for the past 50 years and I have seen it go from a prosperous state and one that a person could have his rights secure to a toilet of radical domestic terrorists, gun grabbing liberals and a homeless problem that is out of control. If you think I'm going to lock up my weapons in my crime ridden neighbor you are seriously mistaken. I've had a CCL for years, a Vietnam veteran, and a 71 year old great grandfather who lives alone with a clean criminal record. If you want to turn me into a felon with your stupid gun grabbing laws so be it. I live by the Constitution and I will not comply to any law that you try to put on me. If you want my weapons, come and take them out of my cold dead hands; but the barrels will be hot!

Sincerely,

Jack J. Shubert
