

I oppose HB4005!

It is wrong to punish someone if their belongings are stolen. The victim should never be responsible for the crime. I support harsher penalties for crimes involving guns NOT crimes against LEGAL gun owners.

It is also wrong to require a person to lockup their personal protection weapon in their own home. HB4005 would give another advantage to a criminal. They have plenty already! Making it more difficult and time consuming for a person to defend themselves is not a solution.

The attack on gun owners is ridiculous. I feel horrible that they have to deal with these ridiculous attacks on them. Focus the efforts on criminals not the general population.
