No more taxes! You're killing us with all these taxes more than carbon ever will!! Stop!! Use the money YOU ALREADY HAVE wisely!! We're trying to work hard, raise families, and enjoy our beautiful state. Start working for ALL Oregonians, not just your own agenda. We the people can accomplish more together than taxes EVER will. Please, stop the madness.

NO! On HB4159, SB1530, HB4005!

Signed, a lifelong and concerned about my leadership Oregonian.
