Subject: I oppose SB 1530
Date: Saturday, February 8, 2020 10:35:59 AM

Senator Dembrow & Members of the Committee:

I am strongly opposed to SB 1530! I see this as nothing more than another way to tax the working class into poverty. Put this before the people and let them vote on it; don't force it upon us!

Thank you,

Traci Larson
