Subject: Oppose SB 1513!
Date: Sunday, February 9, 2020 7:02:36 PM

Dear Oregon State Senate Committee On Environment and Natural Resources,

I ask you to oppose SB 1513 in every (legal) way possible. It just doesn't do enough to protect the environment! Also, it has been sad to see our environmentally sensitive small farmer neighbors be forced out of their dairy business. Mega-dairies harm the environment! We don't want or need them in Oregon.

Thank you!

Sincerely,
Paula Manley
