Subject: Written testimony for SB 1533
Date: Wednesday, February 12, 2020 10:14:18 AM

To whom it may concern,
Allowing unlimited funds for legal representation for evictions would impact our community in a very negative way. Not only is it financially bad for the property, it is unfair for the tenants who pay their rent and want to live in a peaceful environment. Personally I give people every chance I can before an eviction it is always a last resort. Please, please do not pass this bill.

Sincerely,
Adelle Medberry
