Subject: Let the people vote
Date: Saturday, February 8, 2020 11:15:38 PM

NO ON SB1530!!!!

Let the people decide if cap and trade is good for Oregon. Let us vote and stop putting emergency clause on everything you want to ram down our throats. Please stop abusing your super majority power. NO on SB 1530

This is going to ruin our small rural towns of Oregon, such the one I live in who rely on our logging company that is family owned!!!
