Hello,

To Whom It May Concern: I, lea Zola Mbengi, am writing a public comment in support of the Clean Energy Jobs bill.

I respectfully asked our senators to pass the Clean Energy Jobs bill this year with bipartisan support. As a young Oregon resident, I am proud to live in a state that is in forefront of taking action against Climate Change.

Climate change is a high priority issue for me, as I am concerned about the future, and all aspect of my life that is effected by climate change.

I am writing today to ask you to support this important legislation when it is reintroduced in the Senate.

Sincerely,

Lea Mbengi
