Title

I am opposed to Cap and Trade, SB 1530. I believe this legislation would be devastating to working Oregonians, our economy and our communities.

I oppose SB1530. Please crush that bill. It will hurt us and everyone else in Oregon. Please help us by keeping Oregon an amazing place to live and us to continue working hard. Look how increased pricess have caused much homelessness and so much other problems because people can't afford living. Can't keep up with their rent, housing, medical bills, etc. It's already a nightmare and this bill will make it

worse.

Thank you
