Re: Opposition to: [HB 4167]!

Here is one reason why I "Oppose [HB 4167]":

<https://olis.leg.state.or.us/liz/2020R1/Downloads/MeasureDocument/HB4167/Introduced>

You shouldn't be permitted to "Vote" on a piece of complicated legislation (92 Pages) during the Short Session.

Further, [HB 2020B], [SB 1530A] are also contemptible and are detriment to Oregon's economy and the notion everyone will pay equally. I firmly "Oppose" the aforementioned legislation.

Why do you always try to pull this crap on everyone? I know there must be some "good and honest" folks amongst you.

Listed below are a few issues I wish implemented forthwith:

Allocate more funding and authority to the Department of Forestry to plant more trees and to carry out Forest Management functions without having to trip over anyone from the Legislature.

Encourage agriculture with economic grants and regulatory relief.

Have property owners within cities grow more trees.

Give out grants to promote "Green Roofs and Water Harvesting."

Institute mandatory ZERO WASTE programs.

Eliminate "Sanctuary State" seditious conduct.

VOTE "HELL NO" ON: [HB 4167]!

Respectfully submitted,
