

Regarding HB 4167

We live in Coos County. I grew up in a timber family, and so did many of my friends. That being said, this bill will affect all Oregonians no matter where we live. Raising taxes to mitigate climate change is ridiculous, it is a fact that the so called "climate crisis" is non-existent.

County Commissioners from all over Oregon are saying NO to Cap and Trade. Legislators should too.

Beckie Dunlap, Coos County
