

Dear Chair Holvey and House Committee on Rules,

Thank you for hearing my concerns, as I am very worried about HB4167 and how it will take away from the pockets of hard working Oregonians. Passing this bill will heavily burden our economy and give gateway to recession-like times.

I believe this issue needs to be addressed at the federal level, as a whole country, and has no place in the state level.

Thank you for your time and your commitment to our government,

Raisa chernomov
